RALLY

Pep & Pom Poms

Brimming with vibrancy and overflowing with enthusiasm, the rally squads of Marshfield High School displayed undampened spirits in the rainiest of weather. To improve their routines and to learn new yells, Varsity Rally attended a rally school in Squaw Valley, California, while Yell King Stan Emerich attended a school in Eugene. In addition to giving full support to the football and basketball teams, Varsity Rally made its presence known at swim and track meets, wrestling matches, and baseball games. Rally was, again this year, in charge of all homecoming activities.

Anna Brunell

Students wait impatiently as Jay Farr begins the pumpkin weigh-in.

Signs in the hall represent school spirit during Spirit Week.

Kathy Davis and Dennis Krummel work hard on the Senior float.

SPIRIT WEEK

Plenty Of Pep

The Spirit Week competition got off to a roaring start as students with class banners marched through the halls and smothered the walls with signs, attempting to aid their class in winning the Spirit Stick. The rivalry included the traditional pie-eating contest, a pumpkin weigh-in, and a float contest. The contents of the Mystery Box, the Pirate mascot holding a football symbolizing the school spirit, were also disclosed at the Spirit assembly. The climax to the week was a parade where individual classes represented their spirit with student-built floats.

Tori Hudson rides Junior float in parade through downtown Coos Bay.

Enthusiastic Sophs show their spirit.

"Oz" Heinz, politician, expounds at Spirit Assembly.

Rally squad ponders over contents of Mystery Box.

Good manners have no place in a pie-eating contest.

Hand drills are a traditional part of basketball spirit.

President Kris Stump builds spirit at a sign painting party.

PEP CLUB

The Scream Team

Sign painting, spirit tags, and hand drills have all been part of the Pep Club scene this year. Members participated in a halftime show which was presented at the state football playoff games with David Douglas and Jesuit. Ninety-eight girls flipping the right cards at the right time were a must for the success of the card spellout stunts performed during basketball games.

New outfits were chosen this year. Purple, short sleeved, A-line dresses trimmed with white braid were accessorized with gold M.H.S. emblems, white gloves, and tennis shoes. At the annual pizza party President Kris Stump crowned Karen Franssen, Miss Pep Club Football 1968.

"We're loyal to old Marshfield High," sing Pep Club girls after another Pirate victory.

Anita Smith and Jenny Prentice check home game attendance on the point chart.

Right: "This one isn't big enough," says Sandy Stronko to Karen Franssen as they make cards for spellout stunts.

Vice-President Leslie Baird just can't sit still.

Debbie Schniederman is drowned in confetti.

The spotlight shines on Pirate Golden Girl, Lynne Marcott.

Pirette Susan Chrusoskie concentrates on the halftime routine.

Lynne Marcott watches mascot Kathy Lillebo do a solo for Pirate fans.

PIRETTES

Twirly Birds

Our Pirate majorettes have twirled through seven half-time shows this year. A performance in the rain and ankle-deep mud at Autzen Stadium was the climax of their football halftimes.

Many of the routines were planned by Golden Girl, Lynne Marcott. Six-year-old Kathy Lillebo was our mascot twirler.

DRILL TEAM

Step In Time

Under the leadership of president Toni Stokes, drill team performed marching and dance routines during football and basketball seasons.

Newly selected outfits were mustard-colored dresses with a drop-waisted dirndl skirt. Purple trim completed the snappy look.

A special routine was performed during basketball season to honor each of the four branches of the armed forces.

"I like this one," comments Julie Kierstead to Debbie Ebert as they select a pattern for their drill team outfit.

"It's freezing out here," shouts Cory Brunell during the Autzen Stadium half-time show.

Santa's helper, Jay Farr, cues the "Mad Hatters."

Drill Team member Piper Neidhart practices her routine for a basketball half-time.

DANCES AND ASSEMBLIES

Undivided Attention

Students heard political speakers at special assemblies during the fall. Weekly pep assemblies during football and basketball season were designed to promote school spirit. In the spring students were impressed by the talents of Dr. Jester Hairston, a noted composer and conductor, who led us in song. After-game dances continued to be sponsored by school clubs; and the U. G. N. and Homecoming dances provided their own special excitement.

AFS STUDENTS

Foreign Friends

The 1968-69 school year was the first time Marshfield has hosted two American Field Service students. The two students, Tim Grayson from New Zealand and Isa Costa from Brazil, contributed much of their time presenting to the school and community information about their country.

Tim entertained many people with his guitar and singing throughout the year. His main interest is in the literary field, so he took an active part in Drama and Creative Writing. Tim was the editor of *The Seed*, a literary production of the Creative Writing classes, and played the part of the character "Nelson" in the school play, "*Mrs. McThyng*." Tim spent his year with the James Bedingfield family.

"I have enjoyed my stay at Marshfield very much and feel that I have learned more about America by actually moving amongst her people than I ever could have by studying from a textbook thousands of miles away in New Zealand. I shall be taking many fond memories home with me and, though it will be hard to leave, I am sure in my mind that I will come back some day. I look forward again to seeing all of you who have made me so welcome in your country."

Tim Grayson
Palmerston North Boys' High
Palmerston North, New Zealand

Isa also enjoyed accompanying her singing with her guitar. Physics is Isa's major interest. She took an active part in Speech tournaments and attended the State G.A.A. convention. The Clair Jordan family was Isa's host.

"Sometimes I ask myself if I am living a dream. For me, this is a one-year dream and not just a one-year AFS scholarship. I want all of you to know how glad I am for staying with such friendly people as you, the most friendly Pirates that I have ever known! This school will always be remembered in my life for the friends I made here and the knowledge I gained. In the future I will have something to look forward to: to come back sometime..."

Isa Costa
Nilo Pecanha High
Niteroi—Liceu, Brazil

Tim and Isa at Marshfield's American Field Service welcoming reception.

Tim Grayson chuckles as a freshman at Orientation Day asks if New Zealand is an island in the Mediterranean.

Isa Costa says, "Oh, something to carry my Brazil nuts in!" as she accepts her Christmas gift from Peggy Eddy, AFS Chairman.

STAGECRAFT AND DRAMA

Make The Scene

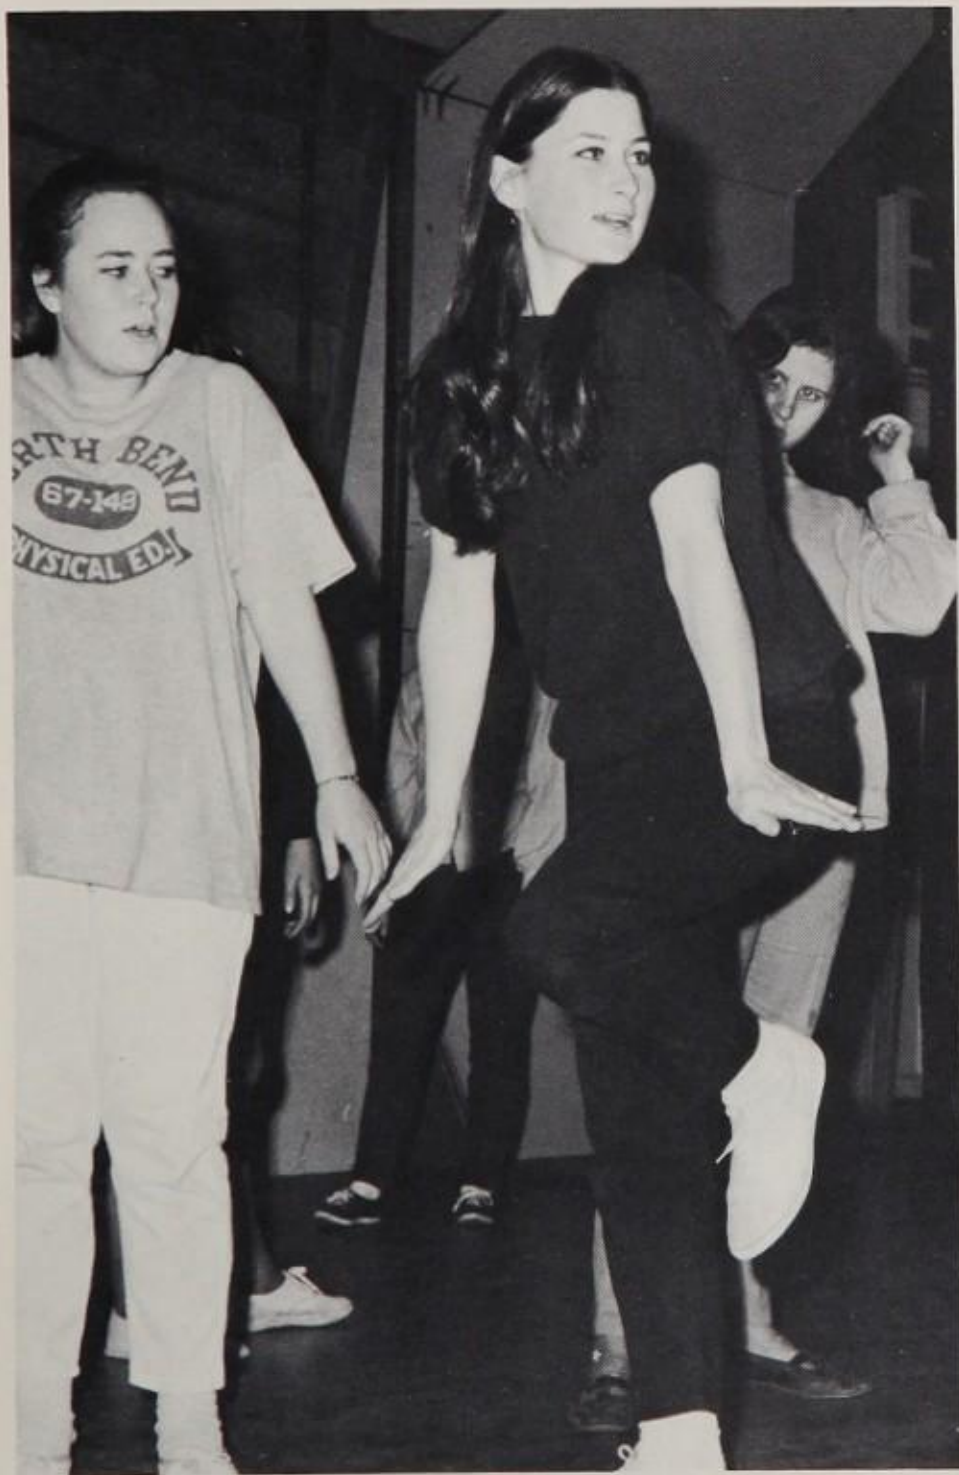

Students involved in Stagecraft, assisted by Mr. Noel Connall, devoted many unstructured mods arranging stage-sets and equipment for large group lectures, school plays, Community Concerts, and vocal and band concerts which took place at Marshfield. In addition to building sets, the students learned lighting and sound techniques.

Drama participants practiced scripts and other readings on their self-made practice-stage in the G.O.Q. room. Director James Kersey involved the Drama students in "behind-the-scene" events such as handling the set-designs, costumes, publicity and make up for the school plays.

Stagecraft and Drama have both contributed to the students' understanding of drama and stage techniques.

Some people go a long way to be in the spotlight!

Juanita Finch, Debbie Quinn and Donna Spencer rehearse an Indian dance-routine for *Peter Pan*.

Gossiping with Gayann Hall, Laurel Fawver, and Donna Manders on Mrs. McThyng's porch suits Nancy Taylor to a tea.

Lynn Hurley and Mr. Kersey get a real charge out of a boring stagecraft assignment.

Doug Nelson and Debby Ellison concentrate on the message sent in Morse Code.

Students sign up for Mini-Courses of their choice.

Ruth Steward and Annette Sandberg mix up their frosting for cake decorating.

Mr. Zimmer previews a movie for the film festival.

Attentive students wait to see the first film.

FILM FESTIVAL

Reel Deal

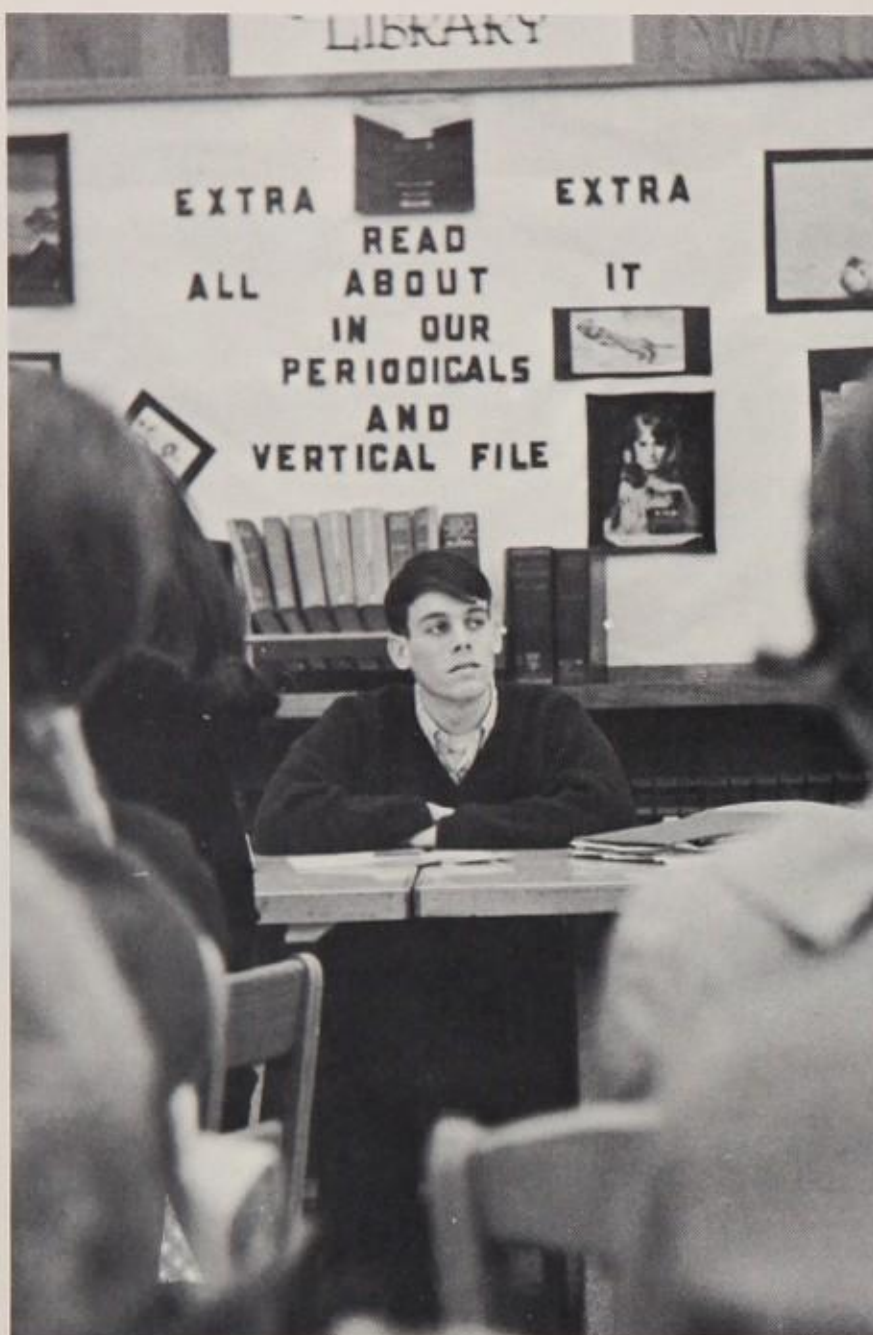

The opportunity to explore the media of film was offered to Marshfield students on April 11, when the first film festival took place. With mods shortened to only ten minutes, students spent the afternoon attending the films of their choice. Three films shown in the auditorium were *Triumph of the Will*, *Toys on a Field of Blue*, and *Night and the Fog*. Students in the boys' gym saw *Nothing But a Man* and a series of Charlie Chaplin movies. Mr. Ted Mahar, graduate of M.H.S. and drama critic for *The Oregonian* gave an introductory talk about the influence of movies on education. He said, "The media of film is rapidly becoming one of the most vital and involving methods of communication that is available to us." The festival was organized by Mr. Christopher Zimmer and Mr. David Sullivan of the English department.

MINI-COURSES

Yearn To Learn

The Student Council added short, special interest classes called Mini-Courses to the curriculum this year. These are classes in some field of interest, held regularly for a shorter time than regular classes. The teacher of a Mini-Course is a Marshfield faculty member, student, or a person in the community. Participation in these courses has been purely voluntary. Teachers received no extra pay, no attendance was taken, and no grades or credits were given. Information about the courses was posted on the special Mini-Course bulletin board located at the head of the main stairway.

The first Mini-Course was an intensive study of Morse Code. Taught by Major Hess, the students learned all 36 characters of the code. Another course was Cake Decorating. Mrs. Robert Hargens, a professional cake decorator, showed the girls some of the secrets in making a cake attractive. Powder Puff Mechanics, taught by Dan Davison, was started for girls who wanted to know how the engine of a car works.

Listening to parents discuss, Jay Farr gains many new ideas at Open House.

STUDENT COUNCIL

Pirate Politics

Improvement, involvement and responsibility are the goals of Student Council. Under the leadership of Jay Farr as ASB President, the Council has surpassed the minimum duties of a student government in reaching for these objectives. Mr. Elmer Johnson, Mr. Neil Hoing, and Dr. William McLean, as advisers, have aided the Council in the interpretation of school policies and in the enactment of new programs.

Advancement toward more student involvement was exemplified by the establishment of an Activities Committee, which has the responsibility of assigning and scheduling all student activities and the sponsorship of a week-long Open House. A revision concerning after-game dances offered the sponsors of the individual functions the option to continue until 11:30 p.m.

Jay Farr, in a speech to the general student body, emphasized the importance of individual responsibility in making the modular program successful. Student-

Annette Sandberg typifies the enthusiasm of Student Council in the Spirit Week assembly skit.

faculty discussions and a suggestion box provided fresh ways of obtaining ideas for improvements.

Student Council was also involved in bringing new and different experiences to the school. During the fall, political speakers were invited to speak at assemblies, which brought to the students an insight into future responsibilities. Student Council sponsored a group of students to attend the Governor's Conference on Children and Youth in Salem. A creative idea resulting from this trip was the programming of mini-courses. A special committee worked with the faculty in establishing this program, which included such subjects as Morse code, powder-puff mechanics, astronomy, and cake-decorating.

Annual events which Student Council sponsored included the Frosh Mixer, Spirit Week, and a UGN drive which was held jointly with Hi-Y.

FRONT ROW FROM LEFT: Darrelyn McQuillin, Senior Class Rep.; Lynn Anderson, Girls' League President First Semester; Donna Manders, Girls' League Rep. Second Semester; Kris Tingley, Song Queen; Carolyn Nelson, Secretary; Roxanne Johannesen, Publicity Manager; Tori Hudson, Junior Class Rep.; Vickie Crumpacker, Historian; Leslie Baird, Mahiscan Co-editor; Annette Sandberg, Treasurer; Linda Manders, Mahiscan Co-editor; Lois Garner, Senior Class President; Cindy Collver, Freshman Class Rep.; Diane DeMerritt, Sophomore

Class Rep.; ROW 2: Dave Leaton, Junior Class President; Don Cotel, Senior Class Rep.; Jeff Bedingfield, Freshman Class President; Jay Farr, President; Steve Matson, Freshman Class Rep.; Matt Lewis, Junior Class Rep.; Mike Hashberger, Sophomore Class President; Rick Casey, Sophomore Class Rep.; John Heinz, Vice-president. NOT PICTURED: Terry Wilson, Boys' League President.

John Heinz is aided by Diane Coon in manning the voting tables for rally elections.

Roxie Johannesen posts school events on the activities calendar to keep the students informed.

"Are you sure you don't want three boxes?" asks Ruth Andrews during the Girls' League Social Service project.

CHARITY DRIVES

Can-Do

The annual Salvation Army Canned Food Drive was sponsored by Key Club during the fall. Class and interschool competition and a canned food dance sponsored by Hi-Y sparked the event. Camp Humdinger was the focal point for the Girls' League social service project. Chocolate mints were sold during noon to raise money. School clubs from North Bend and Marshfield helped in the annual Cancer Drive. Hi-Y and Key Club canvassed door-to-door distributing information and soliciting contributions.

"This is Zone 1," says Ted Cookson to Scott Bedingfield during the annual Cancer Drive.

The Burgundy Blues provides the sounds for the Hi-Y sponsored Canned Food Dance.

A.S.B. ELECTIONS

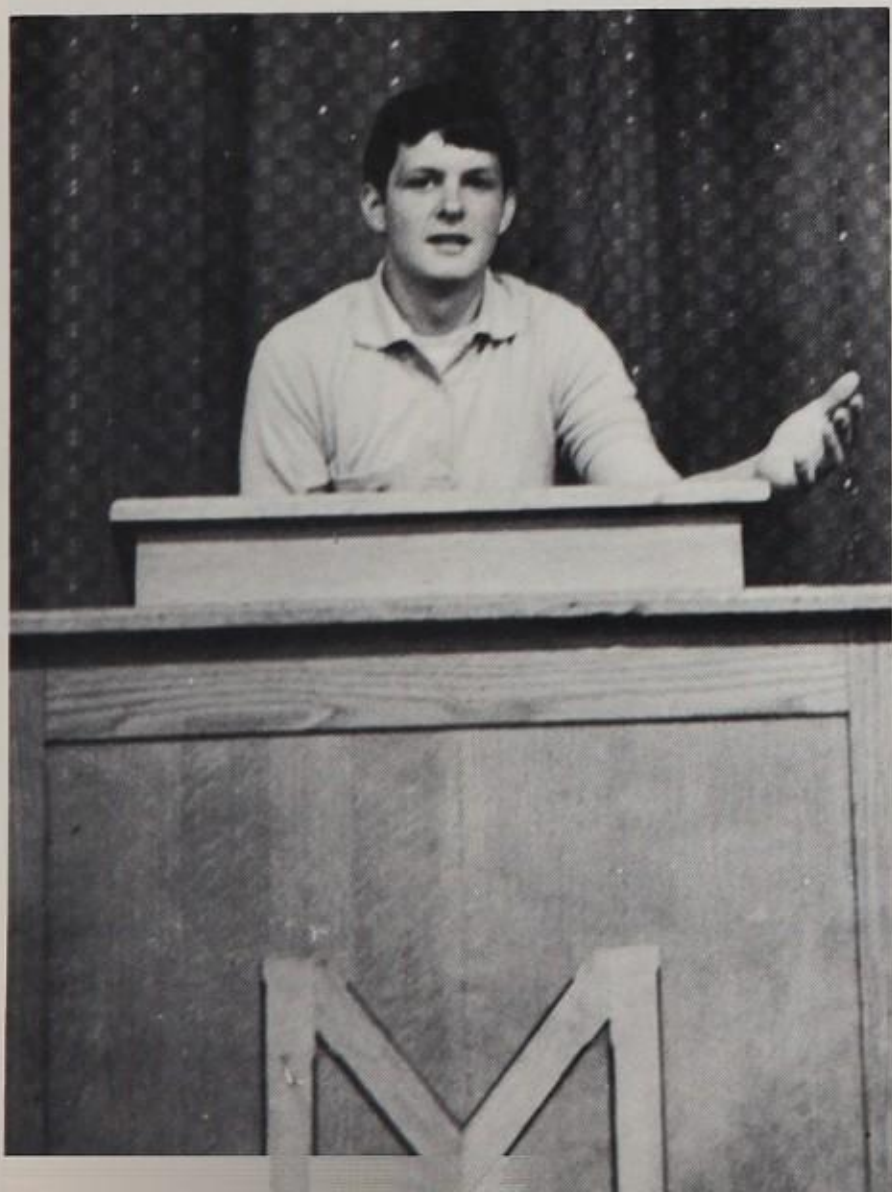

Poll Cats

"Things go better with Kokes," "courtesy of Mike Miller," and "Fly high with Susie" were some of the winning slogans. The voting resulted with Mike Miller, president; Kent Day, vice-president; Susie Bjorkquist, secretary; Debbie Kokes, treasurer; Diane Lee, historian; Donna Manders, publicity; Ronda Wood, Ma-Hi Times Editor; Debbie Hansen and Carol Knight, Mahiscan co-editors; and Debbie Ebert, Song Queen.

Marshfield's new student body officers take their oath.

Mike Miller talked himself right into the presidential chair.

Just one more tie and Diane is sandwiched in for good.

The old council, has its last pow wow.

"Program, sir?" asks usher Lynn Anderson.

New initiate Mike Stocks thinks concrete thoughts.

NATIONAL HONOR SOCIETY

World Of Wisdom

National Honor Society chose its new initiates during spring and fall tappings. Honorary torches, symbolizing knowledge, were placed around the necks of prospective initiates by club members. The students were initiated and received membership pins at formal evening ceremonies conducted by President John Heinz. New members were selected on the basis of scholarship, leadership, and service.

Members of National Honor Society ushered parents of Marshfield students through the school during Open House Week. National Honor Society also served the community and school by ushering for Community Concerts and Vespers.

Club funds were earned through Pepsi concessions at games and from sponsoring an after-game dance.

"To be or not to be," quotes a teacher in a farcical faculty skit.

Assembly antics create hilarity among Boys' League members.

Boys' League President Terry Wilson takes his cue.

AFS student Tim Grayson brings a touch of New Zealand to Boys' League.

"It's the old pie-in-the-face trick," says Mary McGrath to date Ed Middlesworth at the Sadie Hawkins dance.

Bennie Fields and Debbie Smith "go honky-tonk" for the Sadie.

Leslie Baird makes a graceful model for a Girl's League style show.

Congratulations!

Miss Friendships are: Diane Coon, Sandi Dibble, Pam Brumbaugh, Linda Wilson, Debra Hubble, and Karin Stump.

BOYS' LEAGUE

Boy's In Balance

Boys' League created a new student aid program in which Boys' League members aided fellow students with schoolwork. This type of student tutoring proved to be an effective educational experience for those involved.

An army recruiter assembly in April provided a chance for boys to learn more about the opportunities for careers in the armed services.

Informal meetings attended by the Boys' and Girls' League cabinets established better understanding between clubs.

GIRLS' LEAGUE

Friendly Funship

Girls' League snapped into action by sponsoring the fall Sadie Hawkins dance. The theme was "Sadie Goes Honky-Tonk," centered around the roaring twenties.

A new elections system was devised so that a new slate of officers was elected in December, taking office in January. In this way the new cabinet was able to plan for the coming year while the old cabinet members acted as overseers.

Friendship Week was held to promote a more friendly atmosphere among Marshfield girls.

DRAMA

Mrs. McThing

Under the direction of Mr. James Kersey, the first major production of the school year was the comedy *Mrs. McThing*. Centered around a mother's lack of interest for her son, the plot was skillfully executed. With Donna Manders as the mother, Mrs. Larue, and Joe Brumbaugh as her son Howie the cast of only 12 worked hard in not losing the audience's attention even for a moment. The other characters ranged from the witch, Mrs. McThing, played by Janice Swain, to the unforgettable friend of Mrs. Larue named Maud, played by Nancy Taylor. The play ended with a happy compromise between family members and bursts of applause from satisfied audiences.

Howie doesn't seem to agree with his mother's ideas.

Tea provides a time for Mrs. Larue to relate the latest gossip to her friend Maud.

The pirates make their entrance with a "Yo- Ho Yotto!"

Nervously, Diana Krummel applies make-up prior to the opening performance of Peter Pan.

Peter explains to the lost boys that they have shot Wendy and not a big white bird.

Peter Pan

Peter Pan, with a cast of about 40, was presented as the second major production of the school year. With Cyndy Collver as Peter Pan, Karin Stump as Wendy, Gary Logan as Captain Hook/Mr. Darling, Debbie Quinn as Tiger Lily, and Nancy Taylor as Mrs. Darling, the audience was swept away to Never-Never Land and a series of adventures with the lost boys, Indians, and pirates. The fairy Tinkerbell was made by a small light, and characters were able to fly by the use of ropes and harnesses. The director, Mr. James Kersey, wanted everyone to know that the play was not just for children and that it is still very popular on Broadway. Many long hours were put into the making of costumes, make-up, and the transformation of the stage into a land of underground houses and the pirate ship, The Jolly Roger.

Meet The Press

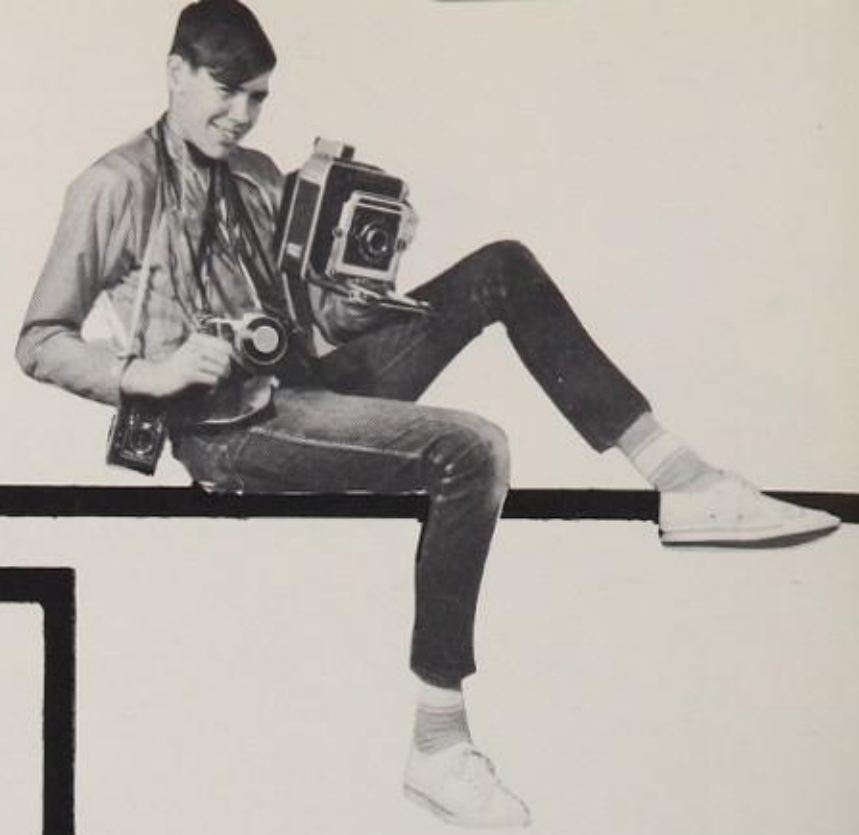

For an initial outlay of approximately \$18,000, the *Ma-Hi Times* staff now has all the equipment necessary to produce an offset paper.

In addition to the bi-weekly newspapers, the *Ma-Hi Times* staff produced three special editions. These extras covered the state semi-final football playoffs, 1969-70 schedule forecasting, and student body elections.

MAHISCAN

Paging: 1969

The 1969 *Mahiscan's* theme centers around the new way of life and the freedoms and responsibilities created by modular scheduling. Our goal was to create a yearbook which changed with the times and yet pleased our readers. The opening section with black background, rounded picture corners and extra color pages is an innovation of creative yearbooking. Our special effects pages and cut dividers are attempts to produce a new and exciting 1969 *Mahiscan*.

ART CLUB

Easely Done

Art Club, under the direction of Mr. Ray Snyder and President Vicki Crumpacker, had one major fund-raising project. To brighten up the season, the Palletteers at after school work parties designed and printed their own Christmas wrapping paper. The paper was then sold in and out of school, the proceeds going into a scholarship fund awarded to a deserving member at the end of the year. By working on several concessions, the club raised enough money to have a painting picnic at the end of the year. Members brought along their paints, easels, and artistic abilities and, after refreshments, they painted the surrounding scenery.

Camera Clubber Jim Aslin focuses in on his subject.

Art Club members Linda Hannon and Vicki Crumpacker admire the wrapping paper which Sally Schultz designed.

Camera Club members Nancy Borneman, Florence Seelig, Dan Bailey, and Doug Nelson check over their photos before entering them in the Pony Village Art Show.

CAMERA CLUB

Snap Happy

Attending practically every student activity throughout the year, Camera Club cannot be judged by its size. Although one of the smallest MHS clubs, it is one of the most active. Not only contributing to the *Mahiscan*, Camera Club was in charge of almost all *Ma-Hi Times* photography. To raise money for the necessary film, paper, and equipment, members took pictures at the Sadie, the Junior Prom, and the Senior Ball. Initiation was held jointly with the *Mahiscan* staff at the beginning of the year. The annual chicken barbecue, with advisor Mr. Jack Lefler as chef, ended a year of hard work for both this club and the *Mahiscan* staff. Camera Club's work is well rewarded when their photography appears in the *Ma-Hi Times* and the *Mahiscan*.

"Get your Mahiter here," yell Quill and Scroll members Darrelyn McQuillin and Roxie Johannesen.

QUILL AND SCROLL

Pen Pals

An honorary society for high school journalists, Quill and Scroll is comprised of students who have had 100 lines of copy published in a paper or a yearbook. The *Mahiter*, an annual volume of student creative writing, was published in December by Quill and Scroll and sold in the halls for fifty cents. Formal initiation was in the form of a Christmas party where pizza was served as the main dish, but not before Roger "Santa Claus" Bingham made his entrance and distributed humorous gifts. To help raise money for the annual scholarship fund, Quill and Scroll members worked on a concession during the year.

Quill and Scroll members attentively listen to formal initiation.

BAND DEPARTMENT

Rhapsody In Rhythm

Frosh, Varsity, Concert, and Pep Bands all participated in the two major concerts performed during the year. The Winter Concert and the Spring Concert, "Bands in Review," were enjoyed by students and other members of the community.

Marshfield's 75-piece Marching Band provided half-time shows for four regular season football games and three play-off games. The instrumentalists also traveled to Eugene to perform at the state football finals.

Pep Band, a volunteer group of twenty-one band students who gained admission through try-outs, promoted school spirit during basketball season by playing for pep assemblies and home games.

The District #7 Solo and Ensemble Contest was hosted in March by the Marshfield High School Band Department. Band members served as ushers and guides for participants from other schools in the district.

In the spring, Concert Band and Pep Band played in assemblies at the three junior high schools in the district. The assemblies were offered for the purpose of interesting younger students in the high school band program.

Concert Band and Varsity Band participated in the District #7 Oregon Music Educators' Association Festival held in Reedsport in April.

Janine Grassham awaits marching orders from Drum Major Jeff Burton.

Gordon Bell leads a spirited Pep Band in "Loyalty."

VOCAL DEPARTMENT

Tune Time

The fall Thanksgiving Assembly performed by the choral groups for the student body highlighted the beginning of the vocal year.

Christmas Vespers brightened the holiday season with the theme of "Sing We Now of Christmas," presented by the choir. The entire vocal department participated in the traditional vespers.

In March several Marshfield vocalists were chosen to attend and participate in the All-Northwest Choir Conference in Eugene. Several vocal students were also selected at the March District #7 Solo and Ensemble Contest to compete in the April State Solo Contest at Ashland.

"Happiness Is Music" was the theme for the Spring Concert, which featured a program divided into eleven sections, including a well-known opera. Stage settings, designed by choir member Dave Wright, were especially effective in the final segment of the concert. A lighted mountain backdrop contributed to the beauty of songs written about mountains and sung by the choir.

The Jester Hairston Festival held in the gymnasium in April provided a tremendous year's climax for the vocal department. Dr. Jester Hairston of Los Angeles, an actor, television and radio singer, and an internationally known choral conductor, arranger, and lecturer, was the guest conductor. He directed 1700 junior high and high school singers from all over southwestern Oregon in a concert of Negro spirituals and rhythmic folk songs.

Jester Hairston socks some soul music to the Marshfield students.

Beachcombers, *Front Row From Left*: B. Goude, R. Wheeler, D. Hinderlie, R. Kelley.

tary; Sonja Kruse, Recording Secretary; David Hinderlie, Member-at-large; Gail Hagge, Historian; Lisa Richardson, Member-at-large.

TRI-M

Tunesmiths

Under the leadership of President Jackie Jordan, Modern Music Masters began the 1968-1969 school year with the initiation of 33 student musicians in a traditional candlelighting ceremony. The apprentices were selected by the faculty on the basis of musicianship, scholarship, leadership, service, character, and cooperation.

Many Tri-M members participated in the District #7 vocal and instrumental Solo and Ensemble Contest. Five were chosen to represent our district at the State Solo Contest on April 26 at Willamette University.

Ron Jacobson blows a snappy trumpet solo at the Tri-M initiation.

Music is magic when it's a song sung by Lola Whitley.

Hi-Y officers Gordon Bell and Mike Stocks present the Senior class with a U.G.N. plaque.

Tri-Hi-Y President Sally Phillips enjoys a friendly chat with a local lawman at a basketball game.

TRI-HI-Y

Steeple People

Tri-Hi-Y, one of the most active service clubs at Marshfield, spent several weeks in preparation for the Salem Youth and Government convention. The regular business meetings were often highlighted by guest speakers. To broaden their religious backgrounds, the members of Tri-Hi-Y attended a different church each month. Three parties provided social fellowship for all.

Gregg McKay and Kent Day are absorbed in a discussion at a Hi-Y meeting.

HI-Y

A "Give-In"

Hi-Y kicked off an active year with their traditional fund raising project, selling coffee and donuts at football and basketball games. Hi-Y and Student Council co-sponsored two dances during the U.G.N. drive. This year's contribution was \$650. Other activities were the Cancer Fund Drive, Youth and Government, and the Key Club--Hi-Y basketball game.

At a joint meeting of Hi-Y and Tri-Hi-Y members, state legislation is the major topic of discussion.

M.A.A.

4 On The Floor

Marshfield Auto Association, a new club this year, was founded for boys and girls interested in cars.

Activities consisted of a car race and a car show which were open to the public. Trophies were awarded in several different categories at these shows. M.A.A.'s goal this year was to work along with members of the community in establishing a drag strip.

M.A.A. members observe and discuss carburetion.

"Greasy isn't it?" comments Mike Connall to Elmer Daniels.

During spring vacation forestry members wheeled around Oregon visiting many forestry facilities.

RODEO CLUB

Horsepower

Rodeo Club is a club for both boys and girls interested in promoting and taking part in rodeos.

This year's activities consisted of a spaghetti feed held in conjunction with the Sheriff's Posse Turkey Shoot and a playday in which all rodeo events were performed on foot. The Roseburg Rodeo, in which Gordon Burris placed first in bareback riding, Sally Lions fourth in steer dogging, and Robin Laird fifth in steer dogging, was attended by members sixteen and under. Members sponsored their first rodeo in June.

Laurie McDaniel and her horse find the competition interesting.

Rodeo club members await their turn to enter the arena.

FORESTRY CLUB

Timber!

President Terry Richter along with the adviser, Mr. Franzen, and the members have made this one of the most active of the new clubs.

On Saturday the members are usually found working on the Land Lab, 160 acres up Stocks Slough, either cutting wood, planting, or some such forestry task. Each month's schedule consists of a business and professional meeting at which time a guest speaker from some area of the Forest Service is present.

Spring vacation found the members touring Oregon's most prominent forestry facilities. The club members also acted as supervisors at the junior high tree planting program.

"Man will this campfire feel good," thinks Dave Cutlip.

LATIN CLUB

Roman Revival

To promote the classical heritage of our country and to award a senior member of the club with a scholarship are the aims of Latin Club. Members manned a popcorn concession and sponsored an after-game dance to supplement the money collected from dues to accumulate funds for the scholarship.

President Mark Thrift presided over the initiation party which proved to be an exciting evening, particularly for the initiates. The year's activities were capped by the annual Roman banquet held in the spring.

As a water balloon is shaved over his head, Rick Hoffine has doubts about joining Latin Club.

Rick Putnam makes another successful sale to raise funds for the Latin Club scholarship.

President Mark Thrift consults Latin Club officers on plans for the Roman banquet.

IRL president Debbie Hazzard and adviser, Mr. Bock, iron out details for the fall conference.

I.R.L.

20th Revolution

IRL carried out this year's theme, Revolution in the Twentieth Century, by hosting five foreign exchange students from the University of Oregon and two persons who had participated in the Peace Corps.

In preparation for the spring conference, the members met frequently for discussions and sponsored both an after-game dance and a bottle drive to raise funds. The state conference at the U of O was highlighted with speeches by Dr. S.I. Hayakawa and Mr. Robert Scheer. The IRL scrapbook placed first for the best portrayal of club activities in promoting international understanding.

Kathy Agyar and Diane Lee check facts in preparation for the IRL convention.

MFLC officers discuss future plans for the club's activities.

M.F.L.C.

Different Dialects

The annual Christmas party highlighted this year's MFLC activities with a gift exchange and the breaking of a pinata. The money earned from a concession aided the club in holding a winter pizza party and the formal initiation in the spring.

Serious endeavors by the members developed a new program in which the students of each language are responsible for presentations of the different customs. Under Jim Falk, president, the club achieved its goal of offering opportunities for exposure to various cultures.

Cherie Anthony thinks hindsight is better than no sight.

Cindy Snidow and Joy Ashcraft enjoy watching the games at the MFLC Christmas party.

Barb Kohler can't believe Santa knew what she really wanted.

Night discussions at the public library produce concentrated efforts by the IRL members.

Last minute preparation on their speeches finds Gregg McKay and Jim Lindsay in absorbed concentration.

Opinions and ideas are argued and discussed at an FHA meeting.

"Now watch me cut it into little squares," laughs Rhoda Davison during the FHA potluck dinner.

"Happiness is bringing home two trophies," beams Dave Smith returning from a forensics district meet.

N.F.L.

Speak The Speech

Forensics includes after-dinner speaking, extemporaneous, impromptu, oratory, radio commentary, and three kinds of debate: Oxford, Lincoln-Douglas, and cross-examination.

Every month tournaments are held which last an average of two days. Comprised of more than one team, forensics has had a very successful year, totaling 34 wins and 34 losses. Dave Smith twice placed 1st, once 2nd, and once 3rd, Dick Granberg, Gayann Hall, Marguerite Ouellette, and Mitch West have each placed 3rd in different events. The teams have been in several finals.

The district team was also triumphant. Eight students made the finals in ten events, bringing home seven trophies. Dave Smith placed 1st in two events, while Gayann Hall placed 1st in one event and 2nd in another. Marguerite Ouellette placed 2nd, and Mike Lehman and Gregg McKay each placed 3rd.

FBI members discuss the bible and plan their next social gathering at a meeting.

F.H.A.

Seams Great

Many of FHA's projects are done as a service to others. In October the group traveled to Myrtle Point to install officers at the district meeting. During the Christmas season, club members babysat for parents who attended vespers. Candles of wax and crushed ice were made for St. Catherine's Residence. Money from FHA's bottlecap drive will be used to buy shirts for the people at Peaceful Sands in the Hauser district.

Other money-making projects included a cake raffle held during the FAA-GAA donkey basketball game and a cookbook sale.

F.B.I.

Fellowship

Fellowship with other Christian students and reinforcement of their faith are what Mrs. Krantz deemed as the main purposes of the Faithful Bible Investigators. The book of revelations was discussed and a guest speaker was in attendance every other week in an attempt to achieve these goals.

This year's wide swing of social activity has included a snow trip, an evening of fellowship and fireside, game nights, and an Easter sunrise service. The club's money-making projects include a Pepsi concession and a candy-popcorn sale.

"...And it rained for 40 days and 40 nights..." Roger Thomas reads to FBI members during their Easter sunrise service.

"Patience is a virtue," thinks Laurie Craig while helping an elderly patient.

"Open wide!" says Donna Dickey to Fircrest resident as Cyndy Crocker serves dinner.

JR. RED CROSS

Have Patients

This year a Junior Red Cross organization was established at Marshfield for teenagers with the common interest of helping others. The volunteer youths contributed many hours of community service through the Youth Red Cross Program. They worked at McAuley Hospital, in nursing homes, with the Retarded Children's Association, counseled at Camp Huminger and served the Red Cross Bloodmobile. The first capping ceremony was held in March when each volunteer, dressed in the traditional Red Cross pinafore, received a cap and a pin.

F.T.A. Adviser, Mrs. Gehlert, has a ball at the potluck.

F.T.A.

Apple Corps

The major activities for the year were concerned with learning about different facets of teaching. At evening meetings, club members enjoyed a guest speaker on the topic of special education, a teacher discussion panel, and a potluck. At a joint meeting hosted by North Bend, a Camp Easter Seal director showed slides and discussed the techniques involved in teaching the handicapped. Several members attended the fall state convention which had the theme of "Men, Media, and Machines."

Mr. Smith expounds about special education to concerned F.T.A. members.

CADET TEACHING

Tutor Teens

Marshfield's cadet teaching program, successful in its second year, has allowed interested seniors to become involved in the elementary and junior high classrooms. The cadets are scheduled into the school and grade level of their choice, and they learn to perform accepted teaching techniques. In the latter part of the year, the Marshfield Cadets were joined by the Bandon Cadets in an all-day study and observation of District 9 teaching experiments, which included several teaching innovations concerning reading and language.

Ron Leighty encourages a reluctant student by saying, "You can do it!"

"Math can be a game!" says Cadet Suzanne Fischer to a young student.

F.F.A.

Grange Gang

An enthusiastic club this year, FFA sponsored a donkey basketball game in the fall which was a big success. Another basketball game against Rodeo Club was held later in the year.

As a service to the community FFA helped the horticulture classes landscape at St. Catherine's Residence. Funds were also raised for donation to the Fairview Nursing Home. Attending the national FFA convention in Kansas City were President Dave Weeks and Vice-President Tom Wuethrich.

FFA members help landscape by clearing brush at St. Catherine's Residence.

FBLA members discuss past activities and accomplishments and plan future projects at a meeting.

F.B.L.A.

Business Bodies

FBLA began the year with a membership drive and a potluck dinner at which a slide show of previous conventions was presented. The formal initiation ceremony followed. Money-making projects included an after-game dance and a concession at the American Kennel Dog Club Show. The group sang at St. Catherine's Residence and exchanged gifts at a Christmas skating party. A monthly vote for Miss and Mr. FBLA judged on club participation resulted in the awarding of engraved identification bracelets to the winners. Miss and Mr. FBLA of the year were selected from the monthly winners, and they were presented with trophies.

"This meeting will come to order," says FBLA President Vicki Humphrey.

Club members listen attentively to candidates' speeches during the FFA elections.

F.S.A.

M.A.S.T.E.R.S. Minds

FSA, reorganized this year to include the members of a senior advanced biology class as well as a group of underclassmen as junior members, worked hard on fund-raising in order to finance field trips undertaken. A dance, concessions, a supermarket hot dog sale, and a pancake feed were some of the projects. Field ventures included trips to the water board complex, its sand dunes installations, the Georgia-Pacific chemical plant, and the Newport Marine Science Center.

Another change came about when the group voted to call itself M.A.S.T.E.R.S., the Marshfield Advanced Study Team for Experimental Research in Science.

Senior members selected, designed, and carried through experiments of their own during the year. Formal mid-year presentations of progress reports on these projects at the Coos Bay Public Library were open to the community. A final presentation ceremony climaxed the year.

"Something's fishy," exclaims Janet Young while at the Newport Marine Science Center.

"Did you get these results, too?" asks Keith Slover of Deena Mault.

Jerry Miller is all concentration as he works to complete his science project by dissecting a starfish.

FSA members take a last glance at their progress reports before they give their oral presentations.

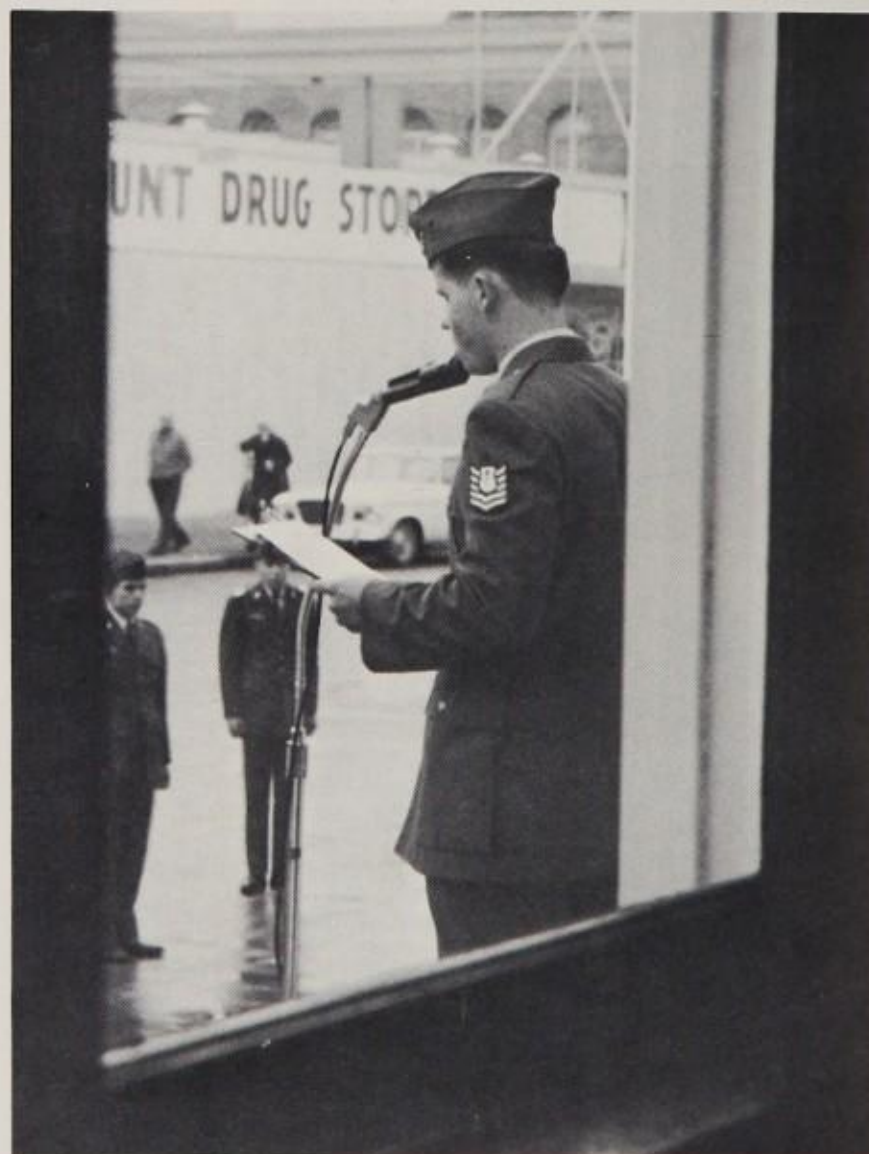

Paul Slater and Ron Hunter check the controls on the partially built airplane.

R.O.T.C.

The Wright Boys

In its second year at Marshfield, the ROTC program includes female cadets as well as a male. Although there are only three girls, it is hoped that there will be several more next year if the system works out.

The involvement of the cadets in the aerospace program reached its highest level yet with the building of an airplane which Major Hess plans to fly near the end of the school year. The ROTC students enjoyed several films on the preparations for the moon flight. The cadets also participated in the annual flag raising at the post office in honor of John F. Kennedy's death.

Gregg McKay gives an oration at the ceremony for the anniversary of Kennedy's death.

Bill Counce quenches his thirst before beginning after-game clean-up.

Mr. Mallonee discusses salesmanship with a Distributive Education student.

D.E.C.A.

What's In Store?

A milestone in the annals of DECA history was reached with the opening of the school store. The members use their knowledge of marketing and distribution in selling needed items to students. DECA has also assisted in sponsoring many charity projects such as a Christmas party for underprivileged children.

The annual Distributive Education Clubs of Oregon convention was held in Portland in April. Eleven members from Marshfield participated.

DECA member Gloria Koho sells some candy to a hungry student.

ORDER OF M

Sports-Minded

Any boy who has lettered in a sport has the privilege of joining this honorary organization for athletic-minded students. This year's president, Fred Girt, organized the members in a program to make a "clean sweep" of the stadium and gym after each game. The lettermen also lined the football field with lime before games.

Reed Kinney and Steve Doty find that cleaning up after a game is a time consuming job.

"Here, left me help," says District Governor Scott Bedingfield as he smears shaving cream on Jim Williams during initiation.

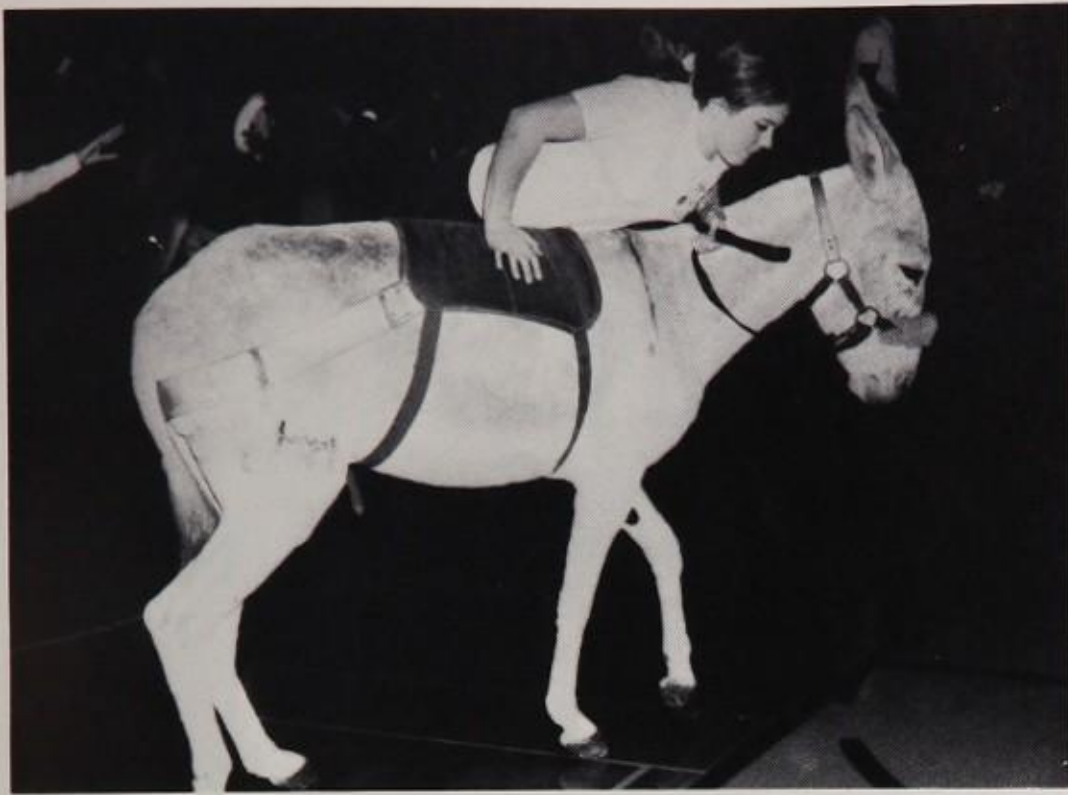

Bill Tingley, Don Guenther, and Bob Vandervelden work on the kitchen crew during the George Washington Chili Feed.

KEY CLUB

Willing Workers

"Preparation has been the key word for the club this past year. Members prepared for the District Convention by planning various projects to help finance the convention. A George Washington Chili Feed was held in February, with cherry pie as an added attraction. The annual Salvation Army Canned Food Drive was another Key Club activity. The Key Club vs. Hi-Y basketball game resulted in a Key Club victory.

President Jerry Miller organized ticket takers and program distributors at football and basketball games, timers for school fire drills, and original gags for initiation.

"Get moving!" coaxes Suzanne Fischer during the G.A.A. vs. F.F.A. donkey basketball game.

Members play intramural field hockey after school for club points.

Miss Brood wonders what Jean Kingsley has up her sleeve during the Halloween party.

Halloween party calls for apples.

Initiates enjoy the taste of marshmallows hidden in shaving cream.

G.A.A.

Fairer Play

With initiation being held in the fall and spring, G.A.A. expanded its ranks and took in many eager freshmen. A donkey basketball game was held in the Boys' Gym with G.A.A. playing against F.F.A. However, the outcome was somewhat disappointing to the fairer sex. A scavenger hunt and monthly activities were headed by President Barb Kohler. Girls received points by attending club functions and ushering at football and basketball games.

Stuart Woods asks Jerry Henry, convention chairman, "Is this the way it's done?" during the pre-convention work.

"What's that name again?" asks President Jerry Miller during the convention registration.

In preparing housing for the convention, Ted Cookson and Scott Bedingfield check registration cards.

KEY CLUB

Konclave

Marshfield hosted the 20th Annual Pacific Northwest District Key Club Convention. Nearly 700 Yukon Territory, British Columbia, Washington, Oregon, the panhandle of Idaho, and northern California attended the spring conclave.

District Governor Scott Bedingfield officiated during the business sessions. Highlights of the convention included the International Theme Luncheon and the Governor's Banquet which was followed by the Governor's Ball.

Linda Manders, '68-'69 State G.A.A. Treasurer, explains the significance of her candle during installation of officers.

Miss Pauley exclaims "Just a little bit higher!", as she helps with convention decorations.

Tari Williams, '68-'69 State G.A.A. President, congratulates Vicki Robbins, the new state president.

G.A.A. STATE CONVENTION

Girls Galore

"Girls All Around" was the theme for the G.A.A. State Convention held at Marshfield in the fall. Representatives from schools all over Oregon were present. State G.A.A. President Tari Williams conducted the business meetings and "buzz sessions." A slumber party was held in the Boys' Gym to accommodate the visiting girls.

[illegible]

Stuart Woods asks Jerry Henry, convention chairman, "Is this the done?" during the pre-convention work.

"What's that name again?" asks President Jerry Miller during the convention registration.

VARSITY FOOTBALL

2nd in State

A coach of the year, Pete Susick, an All-State Halfback, Fred Girt, an All-State Tackle, Gene Dagostini, a District 5A-1 Championship, eleven players on the All-District teams, a 10-1-1 record, national fame from the "bubble" covering the field prior to the semi-finals game at Pirate Stadium, and being Oregon State High School Football Runner-ups made the 1968 football season an exciting and highly successful one.

MARSHFIELD 19 THURSTON 0

The Marshfield versus Thurston game was, according to the coaches of the Midwestern League, a contest between the two strongest teams in the district. Marshfield went into the game expecting to have a good offense, but with an unproven defense. When the game had ended, the Pirates had shown a powerful ground game and a surprisingly strong defense. Although Marshfield led only 6-0 at halftime, the Bucs dominated the play through ball control. Marshfield's three scores came on two runs by quarterback Marty Popp and an intercepted pass by end Dennis Krummel.

MARSHFIELD 31 SPRINGFIELD 0

Seeking revenge for a 13-8 loss to Springfield the year before which cost the Pirates a play-off berth, Marshfield employed a powerful running attack to pick up its second win. Marshfield scored only one touchdown in the first half, but a third quarter spree of 19 points put the game out of reach. The Buccaneers' running game was headed by senior full back Bob South who carried the ball 109 yards in 17 carries.

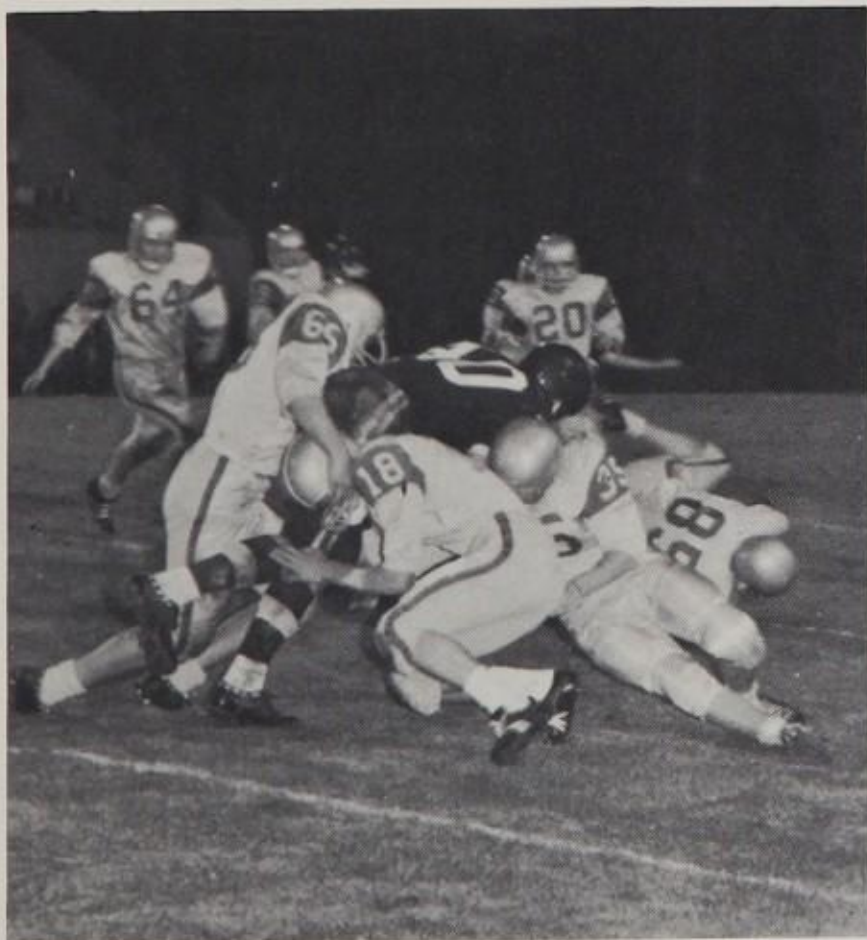

MARSHFIELD 39 CHURCHILL 0

Marshfield rolled up 32 points in the first half for the win over Churchill. The Pirates' scores came on runs by South and Girt, a 35 yard pass from Popp to right half-back Doug Walch, a pass interception by Scott Bedingfield, and a run by Mike Krantz. The reserves, playing the entire second half, held the Churchill Lancers scoreless while Bob Baarstad capped the offensive effort with 7 more points.

MARSHFIELD 48 COTTAGE GROVE 0

Taking advantage of ten Cottage Grove fumbles, Marshfield took a 21-0 lead in the first 9 minutes. With reserves playing a good deal of the game, the Pirates scored on two runs by Girt, a pass from Popp to Walch, a fumble recovery by Bedingfield, and runs by Bob South, Jim Erickson, and Steve Dunsworth. Marshfield, with its fourth consecutive victory, completed its fourth shut-out.

MARSHFIELD 34 SOUTH EUGENE 7

When the Pirates met the Axemen, it was a battle of the unbeatens, with the winner likely to be the league champion. While the Pirate defense held Bruce Meyers, the league-leader in total offense, in check, Marshfield built a 21-0 halftime lead on touchdowns by Girt, South, and Walch. Marshfield was scored on for the first time in the fourth quarter when the Axemen went over from the one. The Pirates came back with touchdowns on a 33 yard run by Girt and a 22 yard Popp-to-Girt pass to close the scoring.

MARSHFIELD 33 NORTH EUGENE 7

North Eugene jumped off to an early 7-0 lead, capitalizing on a fumbled punt by Marshfield, but the Pirates came back to score in four plays and tie the game 7-7. While the Pirate defense settled down and held the Highlanders to just over 30 yards, the offense set to work scoring on runs by Walch and Girt to give Marshfield a 21-7 halftime lead. A staunch defense and two fourth quarter touchdown passes from Popp to Bales resulted in the final score.

MARSHFIELD 34 JUNCTION CITY 14

Junction City, playing its first year in the A-1 Midwestern League, was more than the usual first year competitor. Employing a wide open, shotgun offense, the Tigers opened up an early 14-0 lead in the first quarter. When the Pirate defense finally solved the passing attack and the offense got untracked, the Pirates clipped off 468 net yards and 5 touchdowns for the win.

MARSHFIELD 20 SOUTH SALEM 7

In Marshfield's only regular season non-league game, the Pirates met the highly regarded South Salem Saxon team. With both teams owning excellent defenses and with the field in poor shape, the offensive teams ground out tough yardage. Marshfield scored in the first quarter on a 15 yard run by Popp, capping a 73 yard drive. While the defense contained the Saxon offense, the Pirates made it 13-0 on a 27 yard Popp-to-Krummel pass and Norm Hill's extra point. Early in the fourth quarter, South Salem's fullback Gary Johnson scored on a 61 yard punt return to make it 13-7. Marshfield ended the game with Popp passing to Bales for the final score.

MARSHFIELD 6 NORTH BEND 6

The traditional Marshfield-North Bend clash, played on a muddy field during a constant downpour, was a defensive battle from the start. North Bend scored first on a 44 yard run by Denny Petersen. The Pirates appeared to have tied the score but an official's quick whistle nullified the score. Marshfield eventually tied the game on a 19 yard pass from Popp to Girt to give the Pirates the district crown and their first play-off in nine years.

MARSHFIELD 27 ROSEBURG 12

Two long-time rivals, Marshfield and Roseburg, met at Finley Field in Roseburg on November 15 in a battle for the state quarter-finals. A 14-0 Pirate lead, coming on two runs by Girt of 7 and 52 yards, was quickly narrowed when the Indians who, recovering a fumble and an on-side kick, scored twice in two minutes on passes. To their 14-12 halftime lead, the Pirates added second half touchdowns on a seven yard run by fullback Bob Baarstad and a six yard run by Popp. The Pirate defense held Roseburg's running game but was troubled by the passing of Don Wassom in the first half.

MARSHFIELD 16 DAVID DOUGLAS 14

Marshfield met number one ranked David Douglas at Pirate Stadium in the semifinals. The Pirates scored on the first play of the game as Girt went 72 yards around the end. The Scots tied the game in the second quarter but with seconds left in the half Doug Walch scored on a fumble punt for a 13-7 lead. Each team scored one touchdown in the second half, but a field goal by Norm Hill proved to be the winning difference as Walch's score was later nullified by the OSAA.

MARSHFIELD 0 JESUIT 28

On November 30, Marshfield met Jesuit of Portland in Autzen Stadium for the 1968 Oregon State A-1 Football Championship. A big Crusader team displayed a powerful offense and a strong defense, and this, coupled with Marshfield's six fumbles, spelled defeat for the Pirates. Jesuit scored a touchdown in each quarter and continued to hold Marshfield in check throughout the game. The Crusader scores came on two runs by All-State Halfback Dan Christiansen and two passes to Leo Bauer, as a highly successful season brought home the second place trophy.

SUB-VARSITY FOOTBALL

J.V. Giants

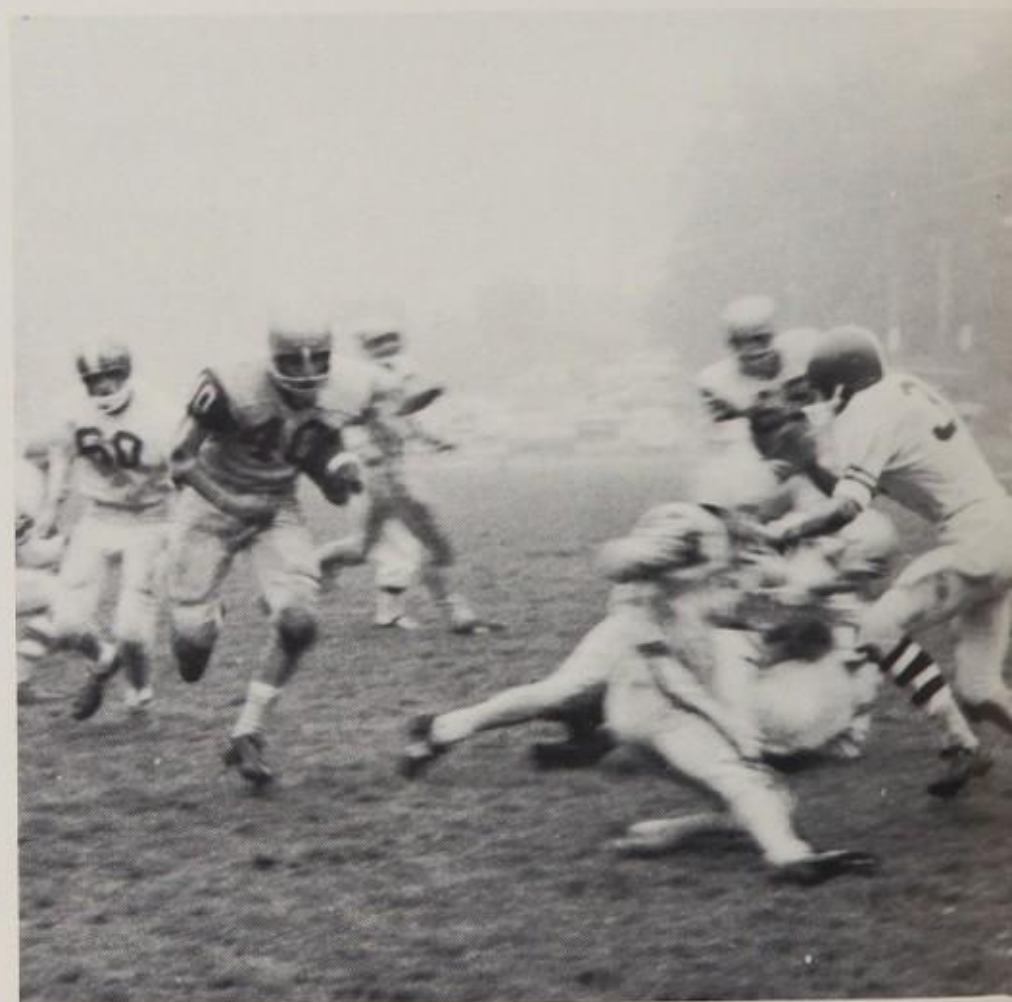

The Marshfield Junior Varsity coached by John Johnson and Lynn Mathews, finished their season undefeated with a 6-0 record. Victories came on wins over Siuslaw 24-19, Roseburg 19-6, and 34-14, Churchill 49-0, Waldport 12-6, and Springfield 39-6.

Super Sophs

Downing North Bend three times, 9-0, 18-12, and 33-20, Bandon twice, 33-7 and 31-20, and Coquille once, 33-12, the sophomore team also finished undefeated with a 6-0 record. With the fine coaching of Stan Solomon and Chuck Crandall, the Sophs displayed a well balanced team.

Fearless Frosh

Combined, the two Frosh teams, the Seadogs and the Blue Jackets, had a record of 10-11 with the Seadogs going 6-0, and the Blue Jackets 4-1-1, losing to the Seadogs. Under the direction of Lynn Mathews, the Seadogs rolled to wins over Jo Lane of Roseburg 19-7, North Bend 31-12 and 20-7, Coquille 33-12, and Gold Beach 44-12. Guided by Jesse Moore and Gus Langley, the Blue Jackets downed Fremont of Roseburg 13-12, North Bend 32-9 and 26-13, Gold Beach 27-12, and tied Coquille 13-13.

CROSS COUNTRY

Sweat Shop

Led by Steve Prefontaine, defending state champ in his fourth varsity year, and backed by several returning lettermen, the Marshfield harriers finished fourth in District 5A-1 and seventh in state A-1 competition. The Pirate long distance runners won eight meets and lost one during their regular season. Marshfield's wins came in meets with North Bend and Bandon, Cottage Grove and Thurston, South Eugene, and two four-way meets with Thurston, Sheldon, and Churchill, and Springfield, Churchill, and Junction City. The Pirates also took the Curry County Invitational and Myrtle Point Invitational. Their only loss came in a close meet with Grant Pass, 29-27. In many of their meets this year, the Pirates had too much strength for their opposition and divided into two or three teams for the competition.

In district, "Pre" took first place honors and was followed by teammates Kirk Gamble 5th, Ron Apling 16th, Rick Cardwell 17th, Dennis Zeller 32nd, and Curt James 35th. As a team, the Pirates took fourth. Prefontaine defended his state championship of last year with a record time of 11:30.1 although the course was later found to be about 50 yards short of the standard 2 1/2 miles. With four teams from the Midwestern League placing in the top seven places, Marshfield made a good showing with a seventh place finish.

The Tough Ones

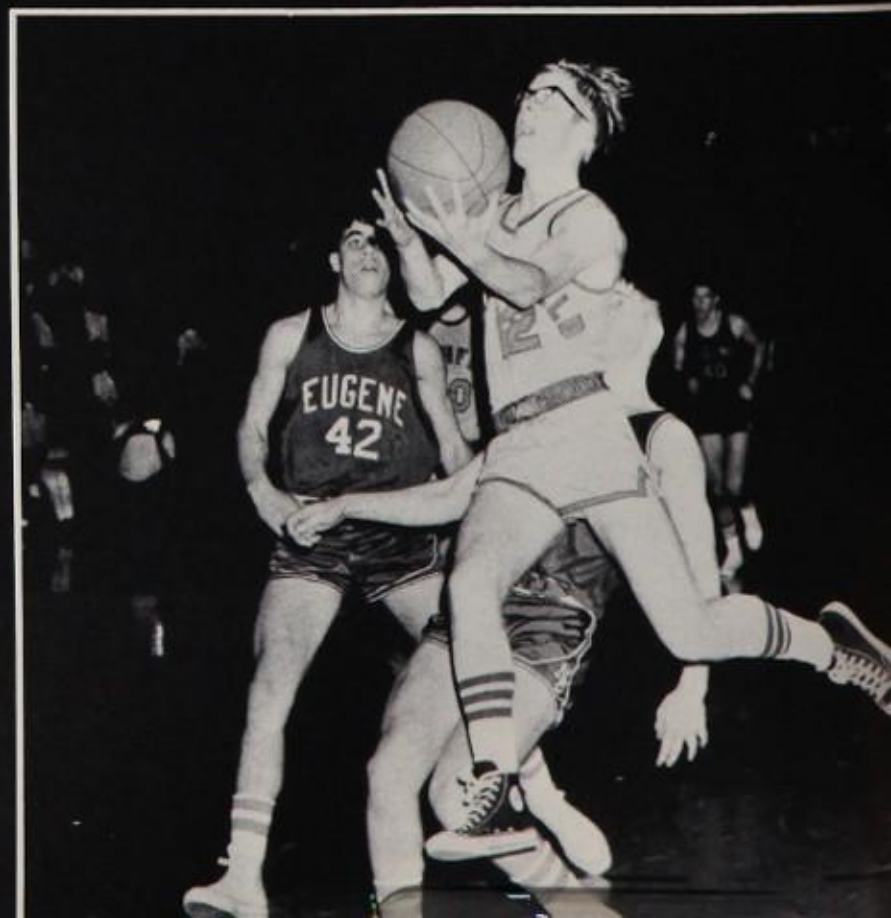

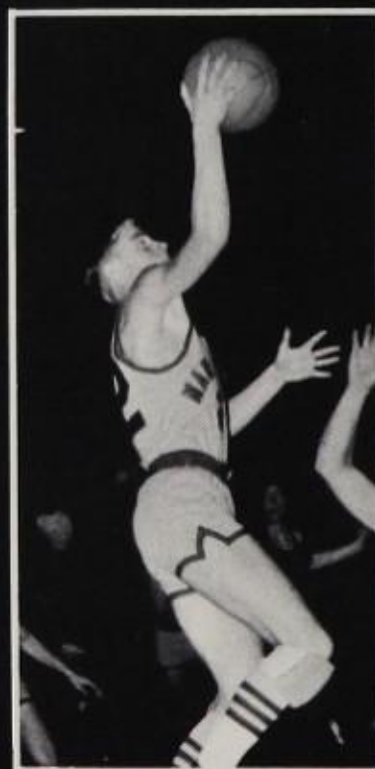

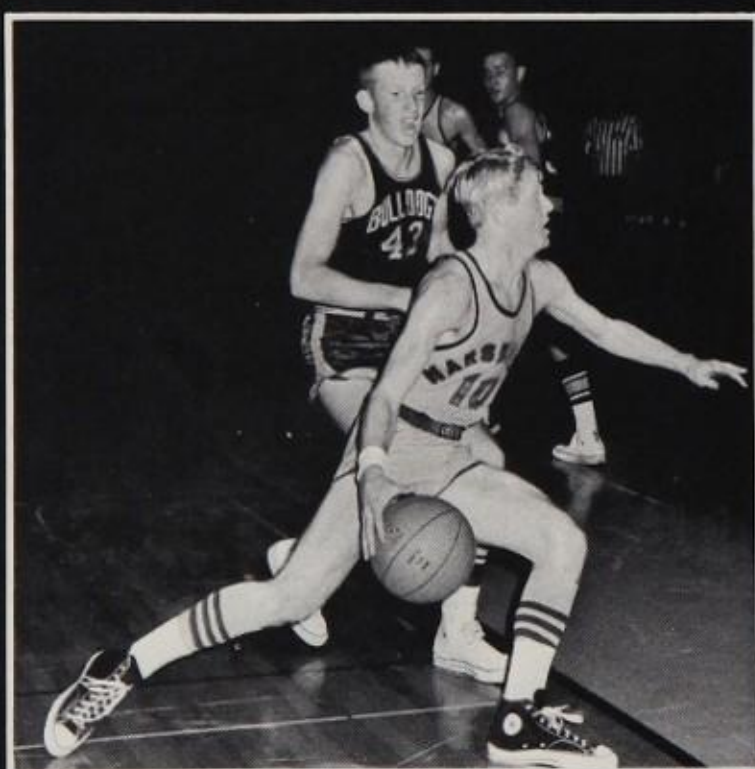

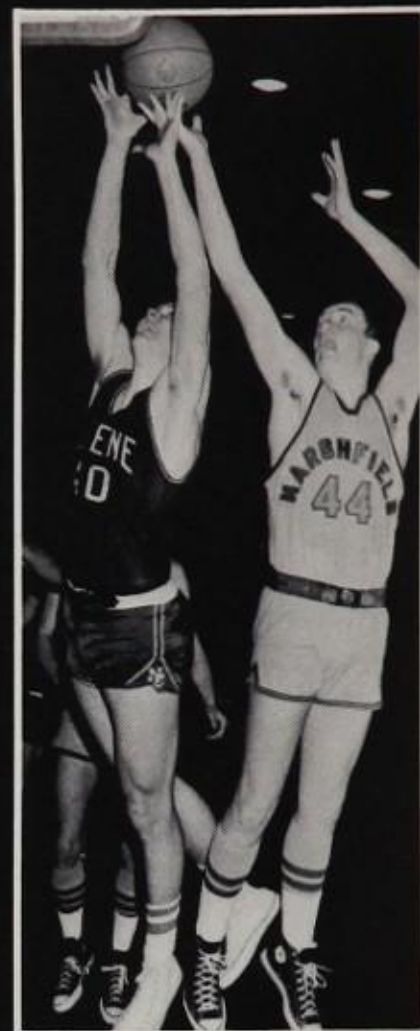

The Marshfield swimming and diving teams, with both experience and strong underclassmen, had an exciting year. The Pirate boys compiled a record of 8 wins while suffering 1 loss to the defending state champs, South Eugene. The girls' team finished with 6 wins and 2 losses. At district the boys, led by Bill Counce, placed first while the girls finished 3rd in the meet with wins by Janet Farr and the 200 yard Freestyle Relay team. In all, sixteen school records were set by this year's team, with two in diving. Barbara Howard set a girls' record and Kerry Dean the boys'. Bill Counce, Suzanne Fischer, and Sally Phillips were awarded "Most Outstanding" swimmer and Marilyn Wilson and Steve Matson were selected "Most Improved" swimmer.

VARSITY BASKETBALL

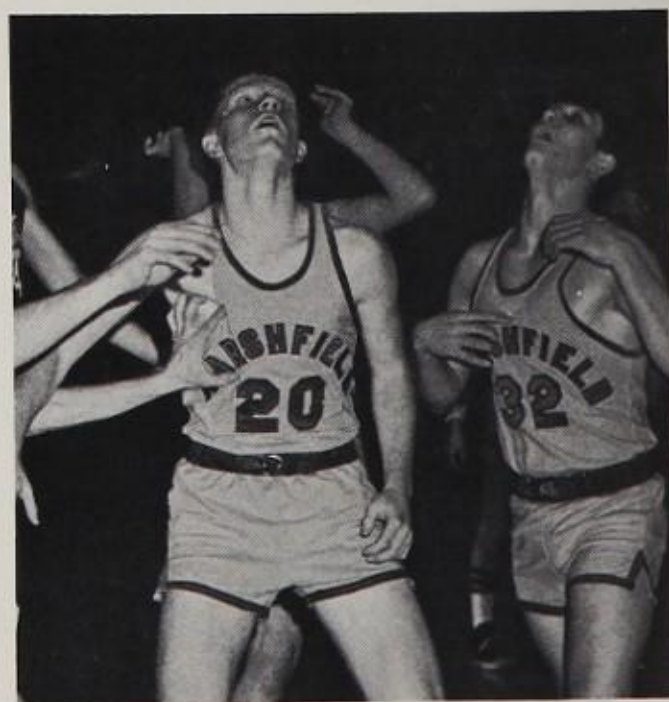

Net 4th In 5A-1

Losing four games by a total of 16 points, Marshfield finished with a 16-6 record for 4th in the Mid-western League. Whatever it lacked in height, not a man over 6'3", the quick Pirates made up in shooting, setting a record for team shooting percentage from the field.

Senior guard Marty Popp joined the Marshfield Hall of Fame, finishing the season with 1138 career points, making him fourth all-time scorer in Marshfield history. Sportswriters all over the state placed Marty on the All-State 2nd team for the second straight year.

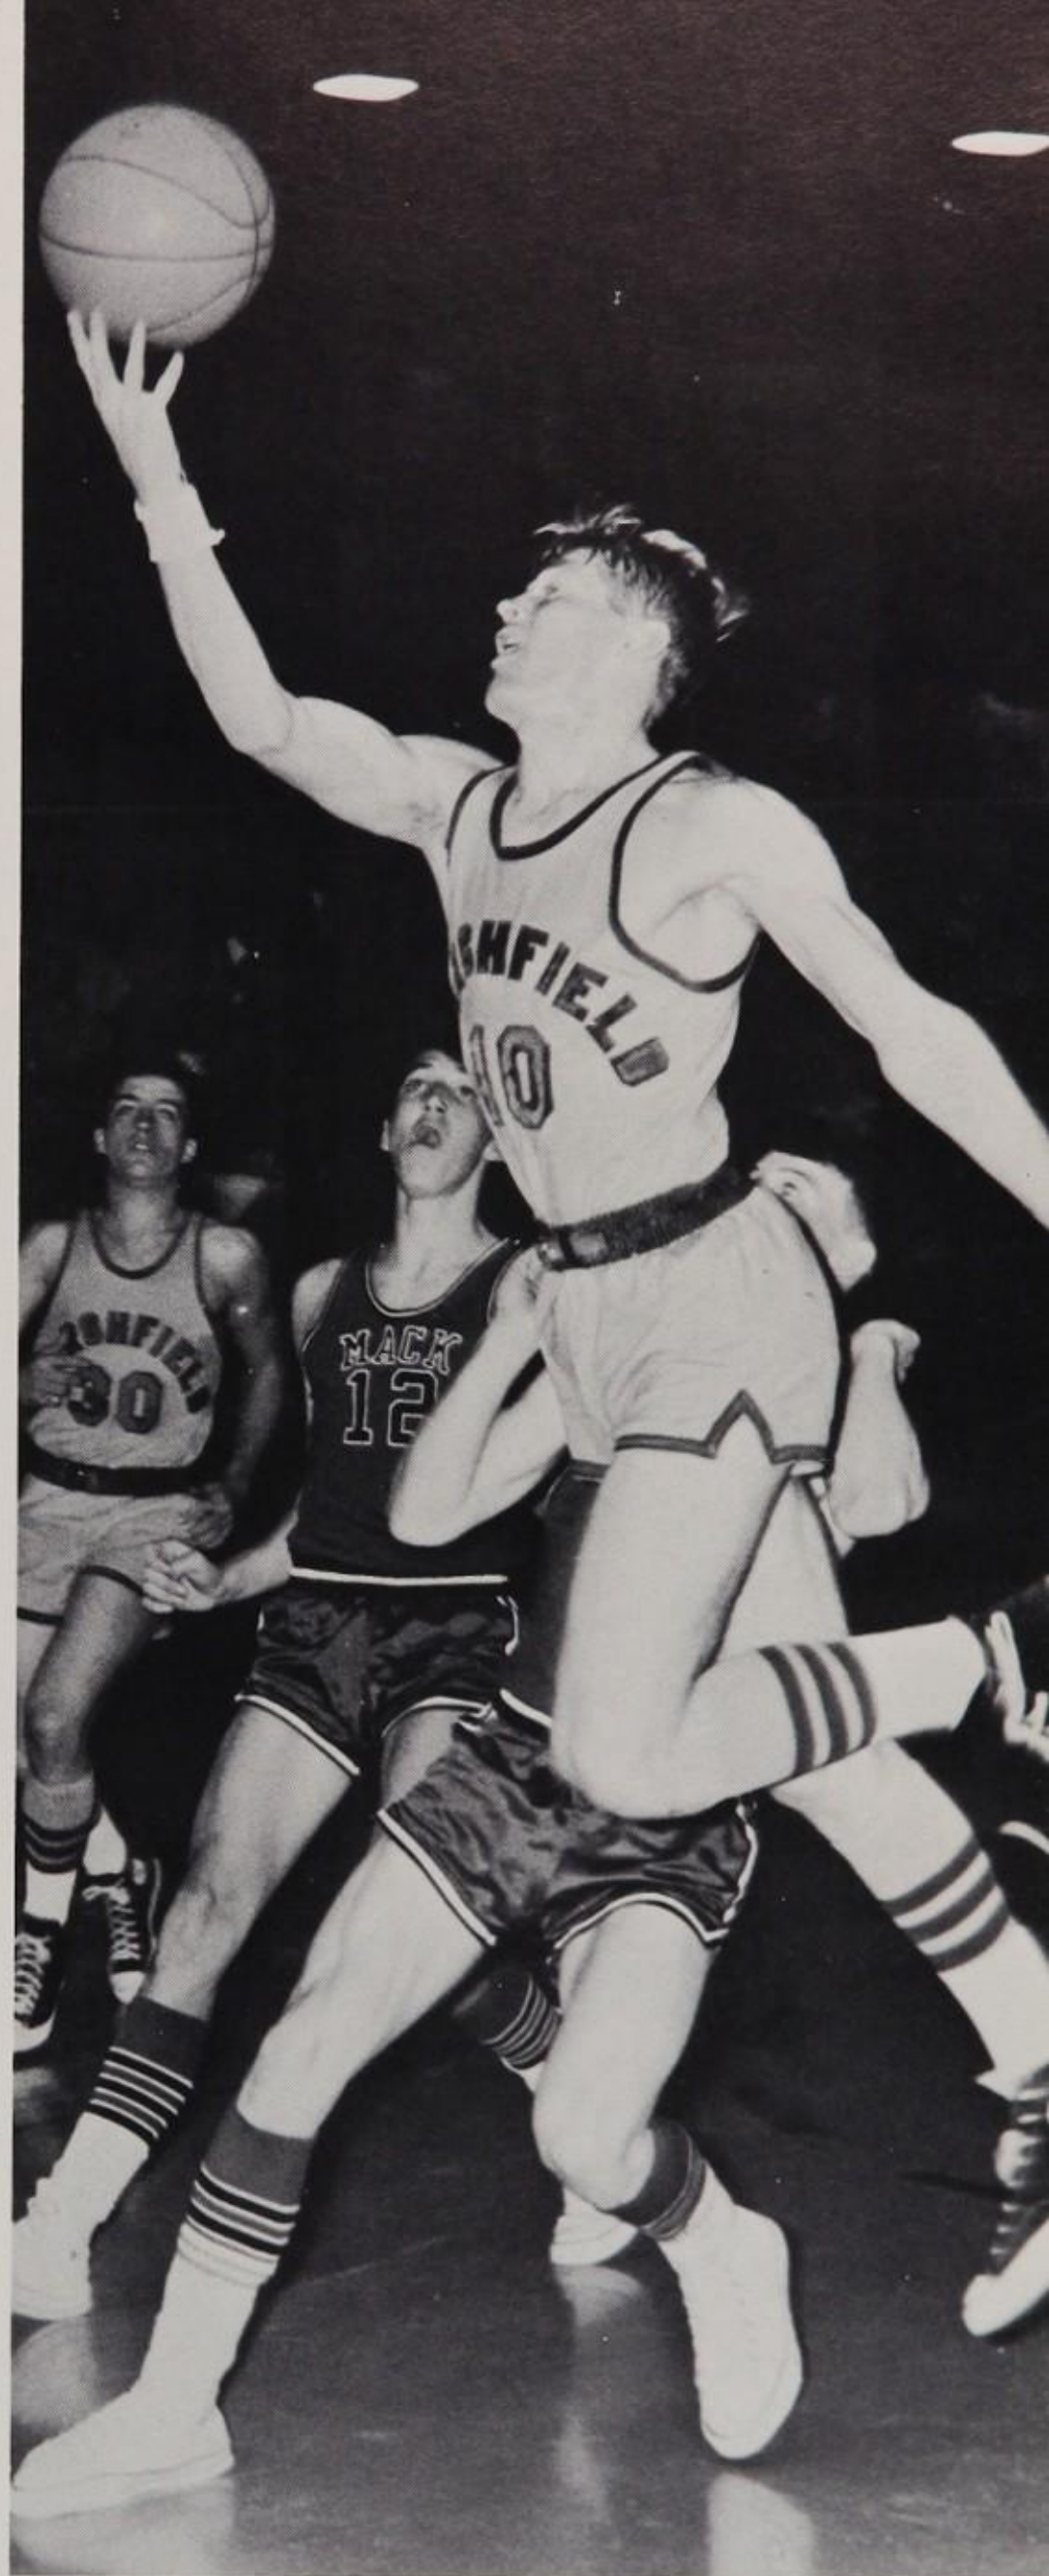

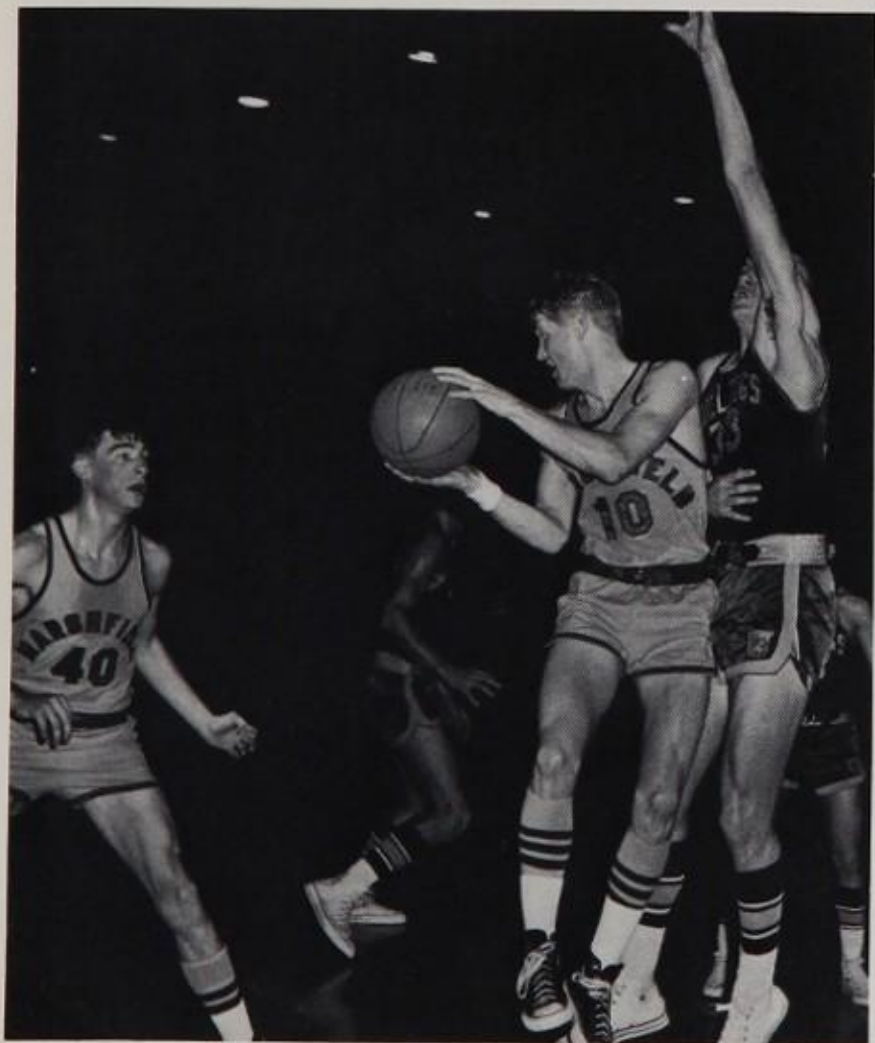

But when opponents concentrated on Popp, they found that Charles McClure and Tim Wall could also score, and score well. Even though constantly playing taller teams, the scrappy, hustling Pirates outrebounded their opponents for the season, led by McClure, Wall, and Tom Elliott

With only one week of practice between the end of football season and the first basketball game for many of the team, the 59-54 contest with West Linn was spiced with unconscious hand-offs and cross-body blocks. After conquering North Bend 67-55, losing to South Eugene, downing Cottage Grove, McKinleyville and a highly regarded North Eugene team, Marshfield appeared ready for league leader Churchill. But the Pirates were not ready enough and were downed by two points in a tight game. Marshfield wound up the first half of the season at 7-3, losing to Junction City.

Marshfield began the second half with a win over Cottage Grove, but this time lost to the Highlanders. After winning over Springfield, the Pirates were back in the running, but lost to Churchill in another close contest. Three straight wins and the tough schedules of other top contenders made the up-and-down Pirates' chances look good until an old nemesis, Williamette, all but eliminated the frustrated Pirates. The season, however, ended on a happy note as the inconsistent home team put together two fine games to down North Bend and Springfield by scores of 58-49 and 67-58 respectively, finishing 4th in the league. The Pirates will have a strong nucleus for next year with six of the ten members of this year's team turning, including three starters.

Coach Crandall

J.V. AND SOPH BASKETBALL

Good Prospects

A balanced scoring attack and strong rebounding led Coach Crandall's J.V.'s to a 16-4 record. The fact that the three top scorers were sophomores lends optimism to the Pirates' future. Mike Hashberger led all scorers, but was closely followed by Jeff McKay, Norm Hill, and Steve Dunsworth. McKay and Dwain Storm led the rebounding.

Coach Moore capped his sophomore team's highly successful season when he said that "there are many good prospective varsity ball players on that team." Jerry Worthen led the team in scoring with 213 points, and the rebounding department was headed by Jim Huggins who pulled down 149 boards. This year's sophomore squad averaged 50.1 points per game compared with their opponents' 38.1

Coach Moore

FROSH A AND B BASKETBALL

Hoop Hopefuls

"There was a real fine basketball interest, and that makes it easy to coach." Those words from Coach Davis summed up a successful 16-3 year for the Freshman A squad. "We had consistent scoring from Guenther and Volchok, which always got us going. Gary Calhoun can do more things with the ball than any other kid in school." Ed Guenther and Rick Volchok had season scoring averages of 14.0 and 17.6 points respectively. Volchok and Don Erickson also headed the rebounding chores. "I can see many of them playing varsity in the next three years," the coach said.

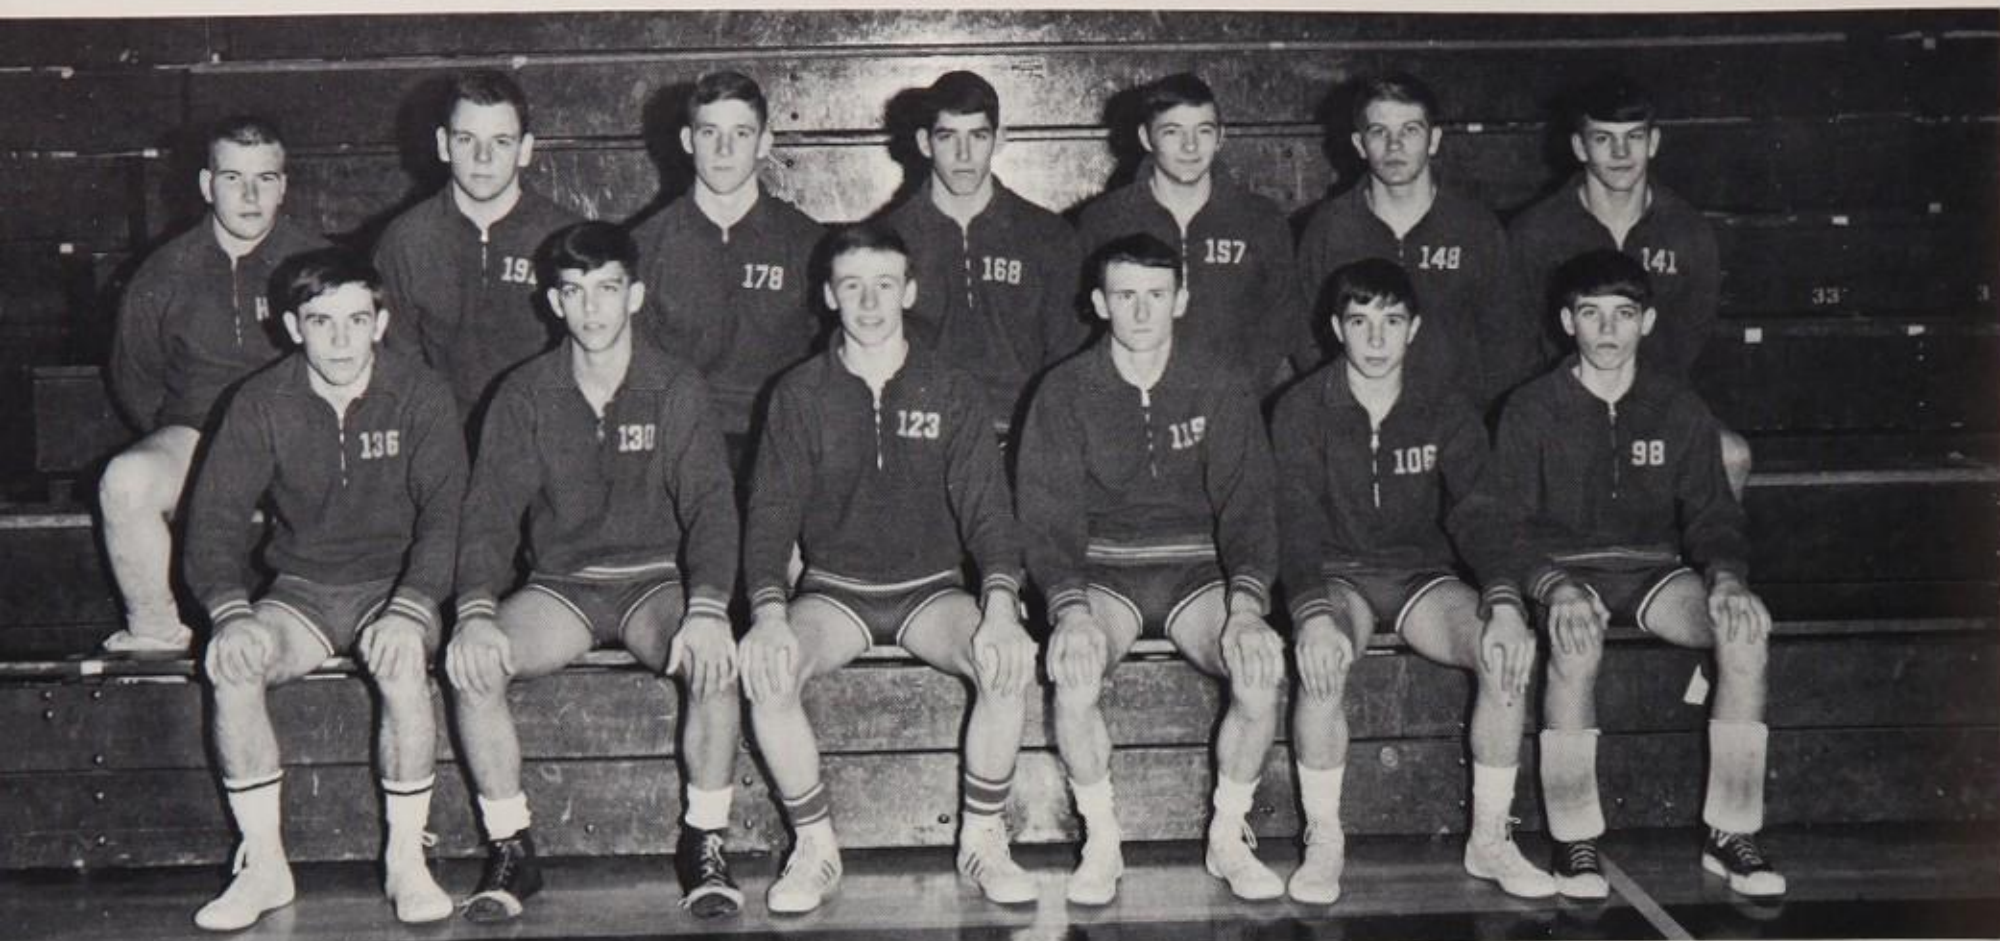

On a limited schedule, Coach Moore's B squad finished with 4 wins and 2 losses. The plan at the beginning of the season was to have an intramural program, but a squad of 12 was formed to play the six games. The plan for next year is to have an intramural program for freshman in an organized league.

VARSITY WRESTLING

7th In State

In its valiant struggle to become a major sport with football and basketball, wrestling seems to be making significant gains. For the sixth time in the last seven years, the Pirate grapplers placed among the top seven teams in the state by placing seventh. Head Coach John Dustin had the distinction of being an official at both the NCAA Championships and the Olympic Games.

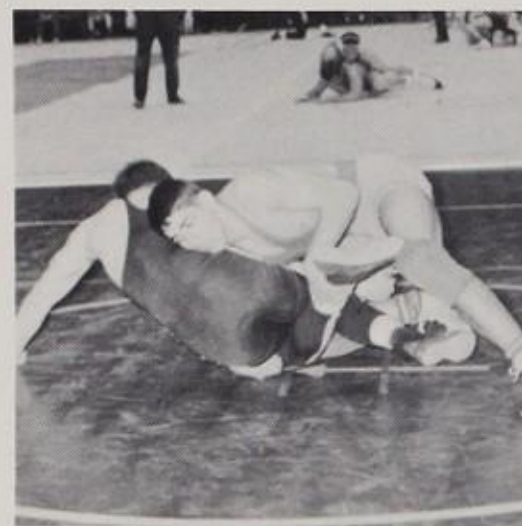

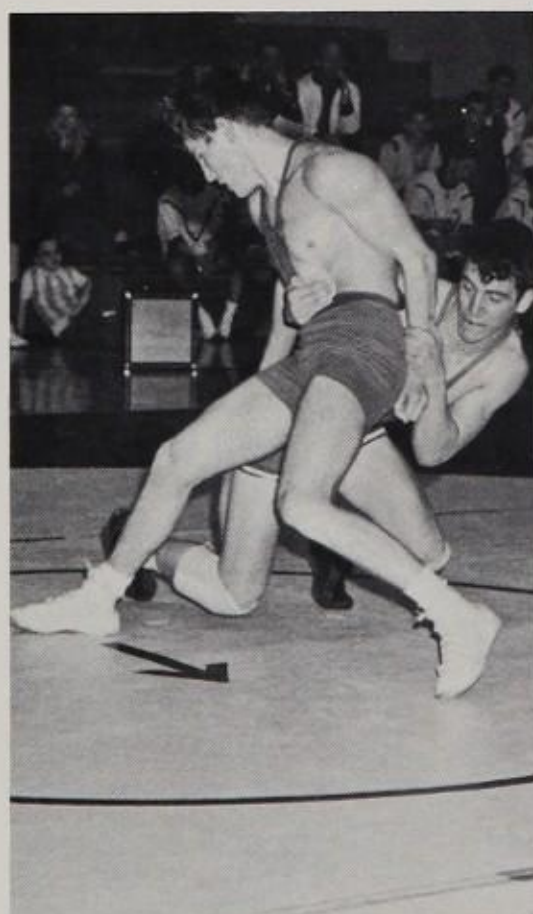

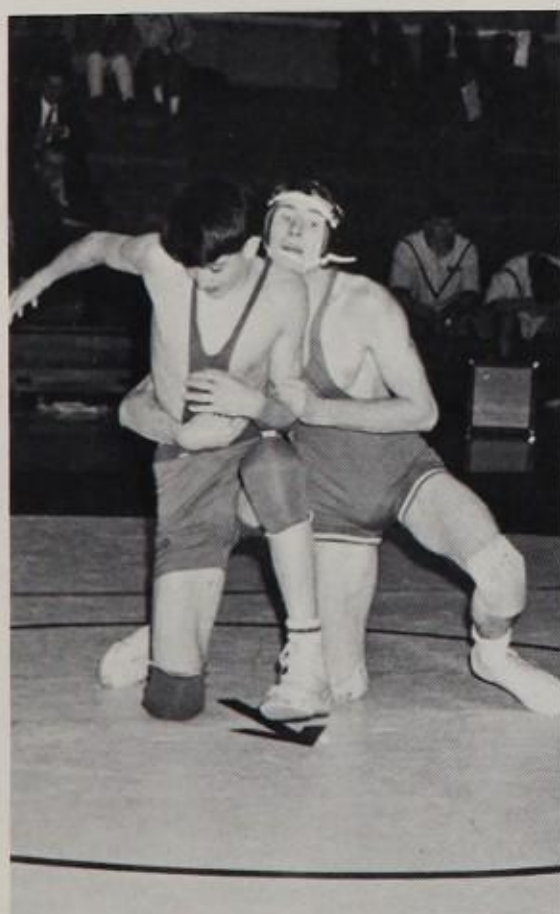

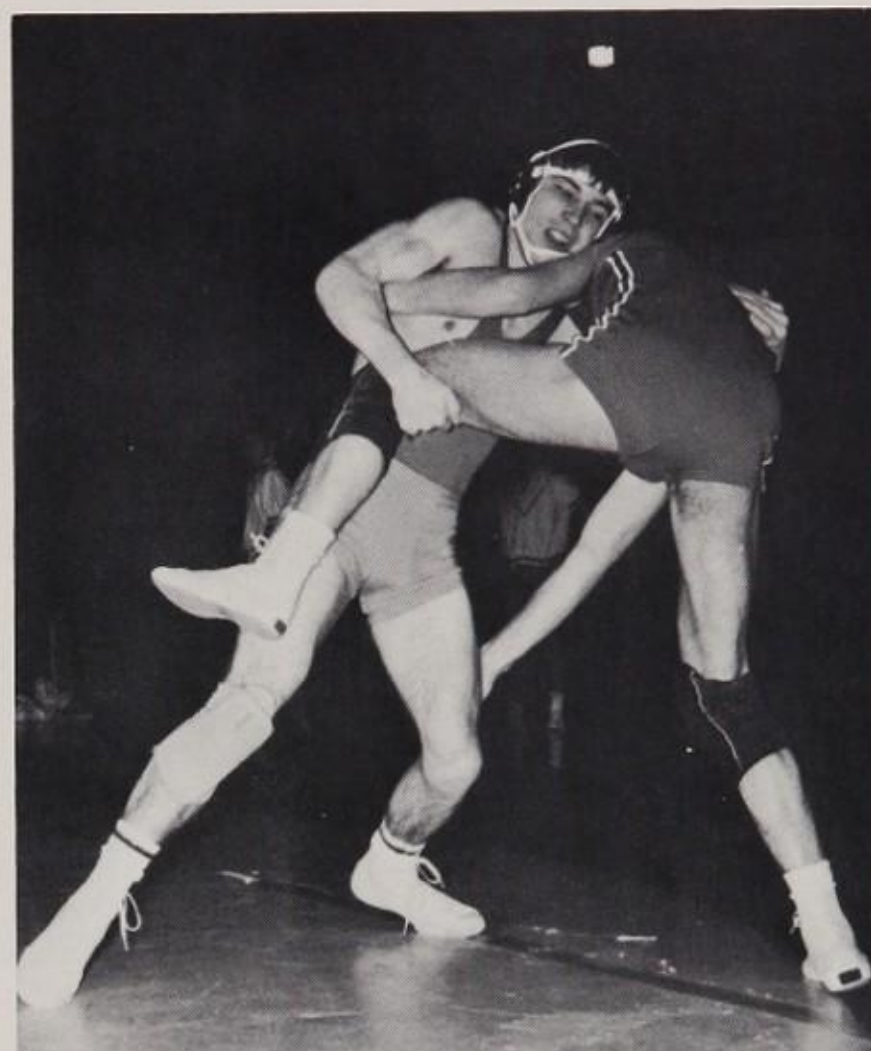

Marshfield, taking six wrestlers, compiled 23 team points at the State Wrestling Tournament in Corvallis. Possibly the biggest surprise came on an excellent effort by Rick Middleton, who placed second in the 115 pound class. Gene Dagostini placed 4th at 168 and Jerry Miller 5th at 178.

Marshfield 2nd	District 5A-1
Marshfield 7th	State Tournament

The Pirates finished a close 2nd to North Bend in the District 5A-1 Tournament which was held in Eugene. District Champs for the Pirates were Middleton, Dagostini, Miller, Rod Smith, and Mat Oliver. George Baughman finished 2nd, Bruce Hamilton 3rd, and Duayne Stutz, Fred White, Bob Hughes, Doug Norris, and Byron Reiber provided extra team points with 4th and 5th place finishes. The 1st and 2nd place wrestlers represented Marshfield at the state tournament.

In February, an all-star wrestling team from New Zealand met an all-star team comprised of wrestlers from Reedsport, North Bend, and Marshfield. The Marshfield mat team was represented by Bruce Hamilton, Rick Middleton, George Baughman, Rod Smith, Jerry Miller, and Gene Dagostini. All emerged victory except Dagostini, whose opponent was unable to wrestle because of injury.

SUB-VARSITY WRESTLING

Mini-Brutes

Much of the success of the varsity wrestling team is often determined by the stiff challenge offered in long practice hours by the 2nd Varsity. Coaches Mathews and Jennings offered the instruction and enthusiasm which builds the varsity through competition, and builds future champs. Both sub-varsity teams had impressive seasons, often overpowering their opponents.

Freshman Wrestling, *FRONT ROW FROM LEFT*, K. Powell, B. Hamilton, D. Norris, G. Parker, J. Jacobson, *2ND ROW*, B. Boots, L. Bauers, J. Jardman, J. Button, R. Gander, *3RD ROW*, F. Anthony, C. Williams, S. Marrs, D. Pettit, G. Bell, L. Carroll

VARSITY TRACK

3rd In State

National, state, and school record books were re-written by the Marshfield track team in one of its finest years ever, and the year 1969 will long remain with all. Distance ace Steve Prefontaine broke the national 2 mile record in a time of 8:41.5 and the state mile record with a 4:06.9 4 lapper. Seven school records fell including the two mile, mile and 880 by Prefontaine, 440 by Jim Huggins, 100 tied by Dan Walsh, javelin by Roger Bingham, and the mile relay by the team of Larry Denton, Jay Farr, Charlie McClure, and Jim Huggins. Countless other 1969 thinclads moved into various positions in the Marshfield High School Top Ten as permanent evidence of a highly successful year.

Marshfield	Opponent
1st	Indian Club Relays
82	54 Grants Pass
77	59 South Eugene
84	52 Roseburg
3rd	Corvallis Invitational
137	46 North Bend
	39 Springfield
	6 Junction City
1st	Coos County
110	26 North Bend
2nd	District 5A-1
3rd	State

After finishing 2nd at the District 5A-1 meet in Springfield and qualifying Prefontaine in the mile and two-mile, Bingham in the javelin, Girt in the high hurdles, Kirk Gamble in the mile, Dan Walsh in the 100, Jim Huggins in the 440, and the mile relay team of Denton, McClure, Farr, and Huggins, the Pirates travelled to Corvallis for the state meet which they were picked to win. After losing Walsh and Girt in the preliminaries, Marshfield came up with 20 points from Prefontaine in a fantastic double win in the mile and two-mile in 4:08.4 and 9:03.0, 4 points from a 4th place finish by the mile relay team in 3:26.2, 2 points from Bingham's 5th in the javelin at 199' 10", and 1 point from Huggins in his 50.8 440. The 27 point total gave Marshfield a tie for 3rd with Grant to cap another successful season for Coach McClure's track men.

Varsity Track, *BOTTOM ROW FROM LEFT*, Lewie Karow, Ron Apling, Steve Prefontaine, Richard McIntosh, Fred Girt, Jerry Worthen, Norm Hill, Jay Farr, Jim Kindred, Larry Denton, Jim Rucus, *2ND ROW FROM LEFT*, Dan Walsh, Jim Huggins, Ron Camden, Rick Oswald, Charlie McClure, Curt Mathews, Kirk Gamble, Dave Leaton, Rick Kelly, Curt James, *3RD ROW FROM LEFT*, Mike Reed, Dennis Zeller, Roger Bingham, Reed Kinney, Rick Cardwell, Steve Rossman, Ron Kuehn, Mike Krantz.

Carroll, *3RD ROW FROM LEFT*, D. Recnehausen, S. Marrs, G. Kinney, D. Hartley, R. Volchok, D. Erickson, T. Nix, R. Waters, V. Stemmerman, J. Button, Coach Davis.

SUB-VARSITY TRACK Clockwork

Winning all but one of their eight meets, the J.V. track team showed good strength and promise. The victories came over Bandon, Grants Pass, North Bend twice, South Eugene, Roseburg, Springfield, and in the South Coast J.V. meet, while their only loss was to Myrtle Point.

Under the direction of Ray Davis, the Frosh track team came up with crushing wins over Myrtle Point J.V., Coquille J.V. and Frosh, Bandon J.V., Jo Lane, Fremont, Cottage Grove, and North Bend, while placing 3rd in the South Coast J.V. meet and losing in a second meet with the Myrtle Point J.V. Strong efforts came from a record-breaking mile relay team, Jim Bettin in the javelin, Allen Aurdahl in the sprints, and Tim Nix in the 880.

Varsity Baseball, *KNEELING FROM LEFT*, Mark Paczesniak, Dennis Krummel, Clyde Dillman, Chal Holte, *STANDING FROM LEFT*, Coach Haliski, Bob Baarstad, Herb Pryor, Mike Muth, Greg Boyd, Greg McKay, Rick Hoffine, Bob Cabal.

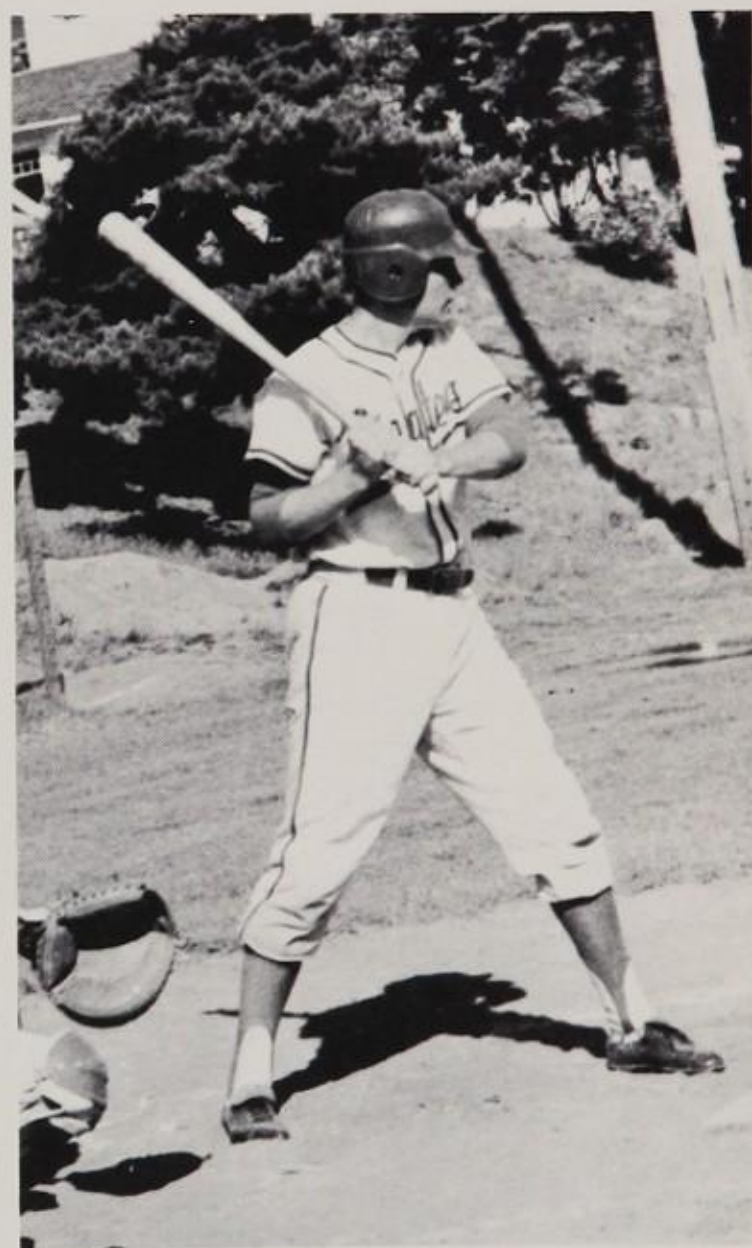

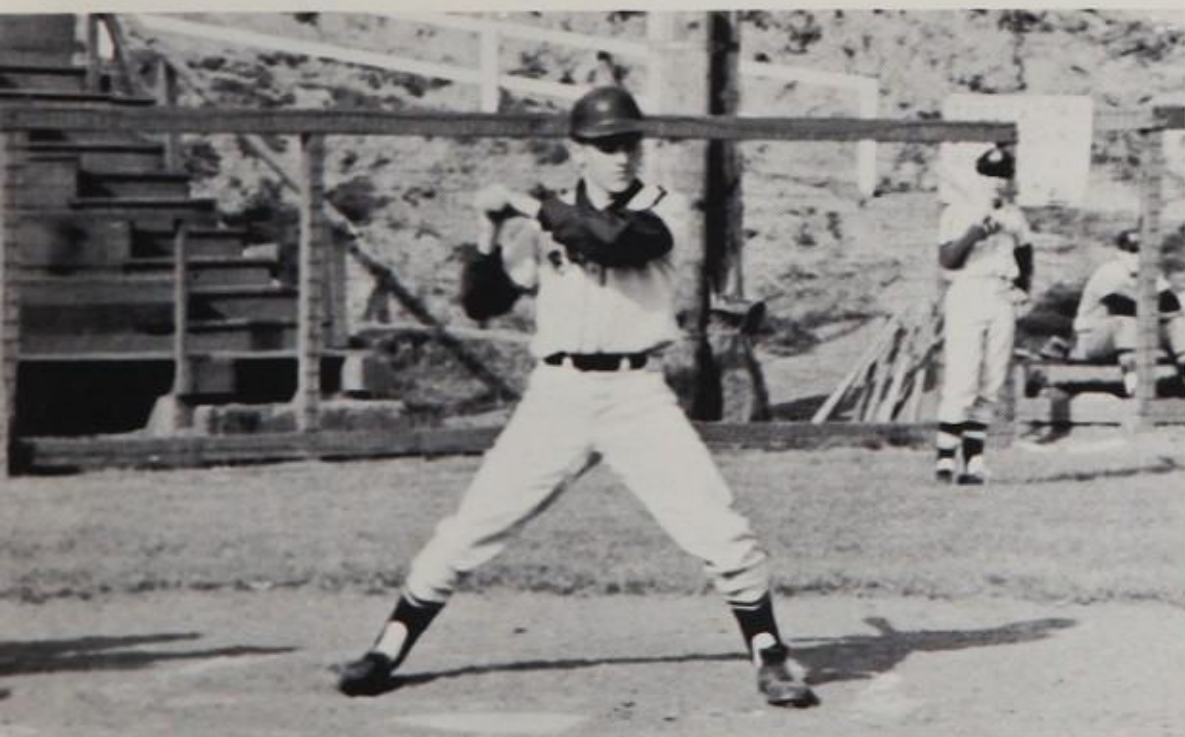

VARSITY BASEBALL

Diamond Gems

Saying, "Desire to improve made this a good ball club," Coach Haliski named above average pitching and a good defense as the strong points of this year's team. Catcher Mark Paczesniak was selected Team Captain, Dennis Krummel Most Valuable Player, and Chal Holte Most Improved Player by a team vote, while Herb Pryor was named Most Outstanding Pitcher. Both Pryor and Bob Baarstad had 4-1 pitching records while Krummel, followed by Baarstad, Holte, and Paczesniak led the hitting with a .437 batting average.

Beating North Bend in a best of five series, the Pirates travelled to the District Play-offs where they had to win three consecutive games over the two top Eugene teams to go to state. After a 15 inning 1-0 victory over Churchill, in which Herb Pryor pitched 12 shut-out innings, the Pirates were held hitless by South Eugene in a 12-0 loss.

J.V. Baseball, KNEELING FROM LEFT, J. Dunton, D. Smith, B. Houston, R. Thomas, M. Richards, D. Beard, K. Gray, D. Lovering, STANDING FROM LEFT, P. Korieva, J. Woods, B. Floyd, R. Barringer, J. McKay, A. Watson, R. Casey, K. Snodgrass, L. Phillips, Coach Crandall.

SUB-VARSITY BASEBALL

Base-ics

Coach Crandall's J.V. baseball team finished the 1969 season with a record of 6 wins and 2 losses. The highlight of the season came when Dale Lovering, the mainstay of a fine pitching staff, pitched a no-hitter. Ron Barringer led the J.V.'s in hitting with a .455 average, followed by Keith Gray, 421, Rick Casey, 377, and Andy Watson, 333.

The frosh, coached by Mr. Jesse Moore, finished their season with a 7-3 record. Mark Winger and Oliver Sorensen were tied for leading hitter with identical .483 batting averages, and Gary Calhoun supplemented them with his .400 average. Tom Hood, 3-0, and Dave Brown, 3-2, bore the brunt of the pitching load.

Freshman Baseball, KNEELING FROM LEFT, G. Calhoun, J. Story, M. Winger, K. Songer, L. Reiber, M. Bennett, R. Pardee, F. Anthony, 2ND ROW FROM LEFT, R. Whittwer, T. Hood, B. Strickland, O. Sorensen, S. Weiland, D. Brown, G. Skinner, S. Peane, J. Bedingfield.

GOLF

Par-tee Pack

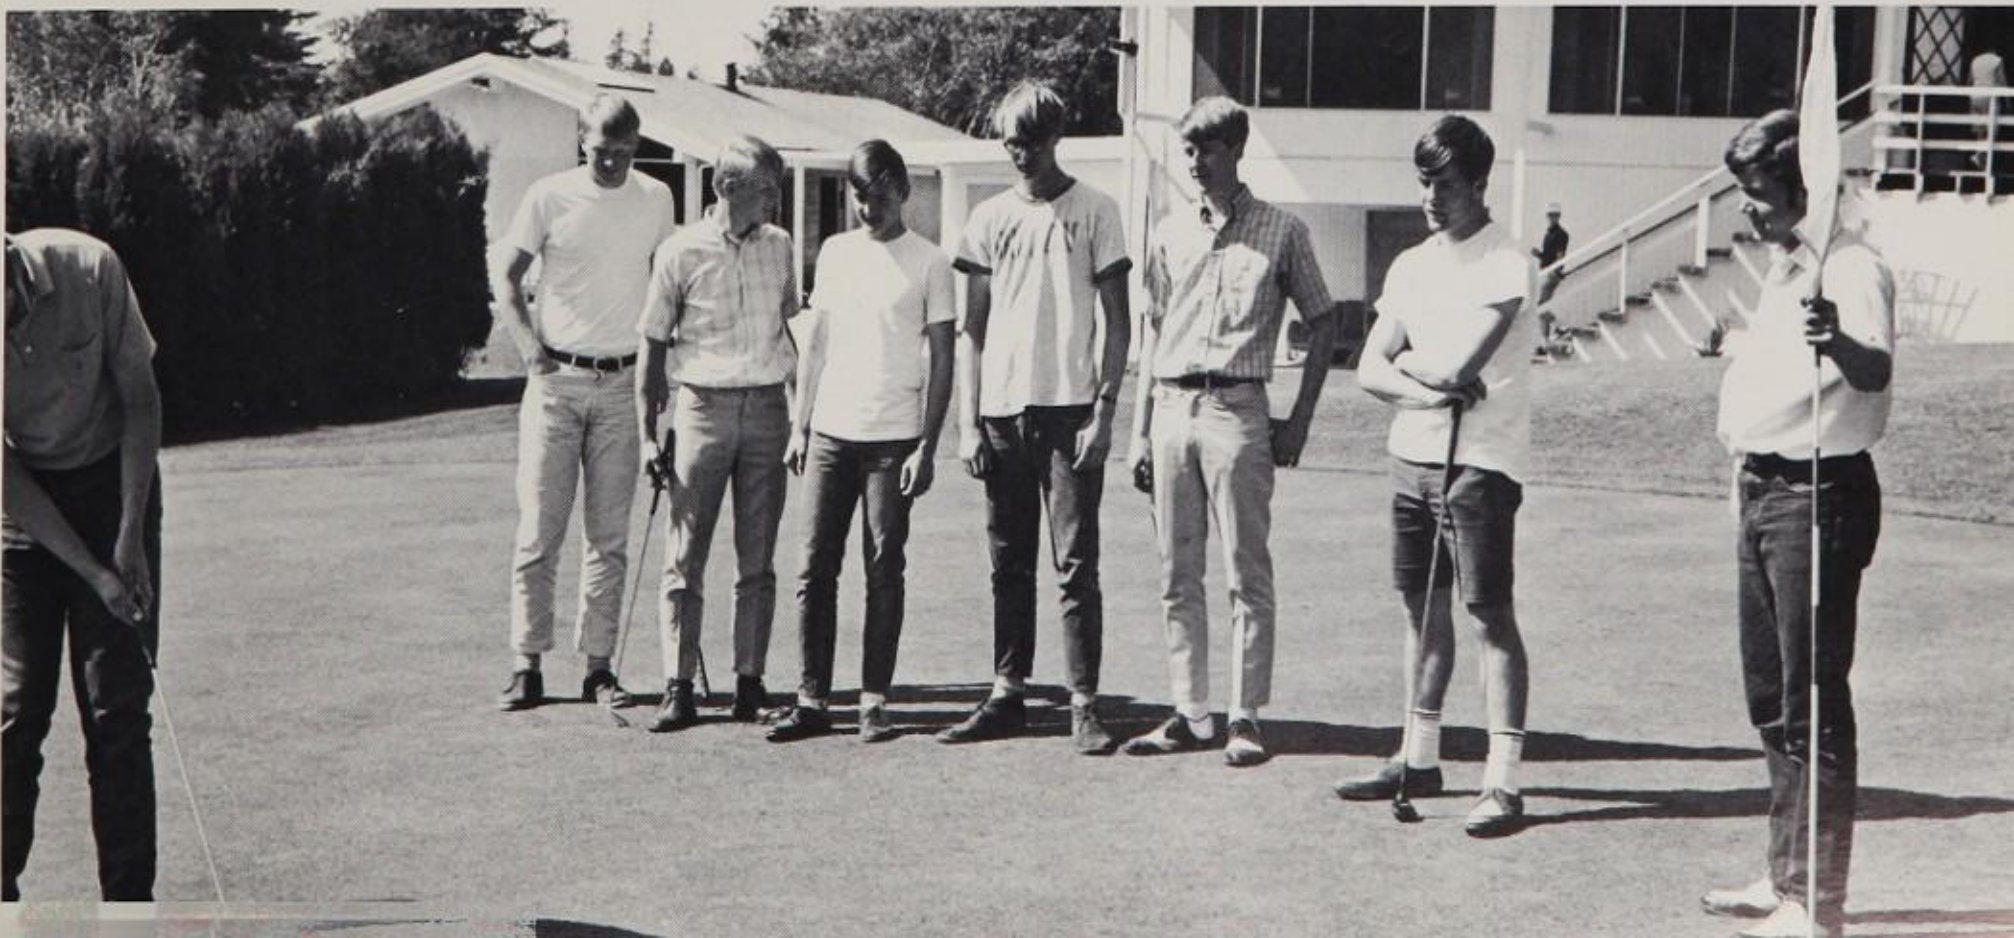

While showing only an 8-7 record for the regular season, although it included two wins over S.W.O.C.C., Marshfield's golf team showed its strength by taking the District 5A-1 Championship. The Pirates showed individual strength with Wayne Laurila earning co-medalist honors at state, and foreign exchange student Tim Grayson and Laurila being #1 and #2 medalists, respectively, at District. Kent Day, Dwain Storm, and Pat Irvin rounded out the team, which was coached for the first time by Jim Whitty.

BOYS TENNIS

Rackets Net Gain

Highlighted by four straight wins over North Bend and a 12-2 record over-all, the Marshfield boys' tennis team had one of its finest seasons in years. Led by sophomore Bob Chiene, considered one of the finest sophomores in the state, the Guenther family, John, Don, and Ed, and Ron Daniels, a sophomore, Marshfield

finished 4th in District 5A-1 competition. John Guenther was the lone Pirate to qualify for state where he advanced to the consolation finals. With two juniors, three sophomores, and a freshman returning, Coach Davies looks for an even better team next year.

GIRLS TENNIS

Racketeers

A hardworking team of nine girls formed the girls' tennis team which finished the season with a record of 6 wins, 4 losses, and a tie. Miss Pauly, in her first year, noted improvement throughout the season which was climaxed by a 3rd in District 5A-1 and a 6th

in state. Marilyn Layton and Linda Prefontaine placed first in the district doubles, and Peggy Eddy placed 3rd in the singles; both advanced to the quarterfinals in state. Losing only one senior, prospects are good for next year's girls' tennis team.

GYMNASTICS

Flying Fancies

Even though half of the schedule was wiped out by snow and key competitor Laurie McDaniel was lost early in the season, the gymnastics season at Marshfield was by no means a loss. Strong performances by first year gymnasts and the one-two punch of Sue Gentry and Sue Grischkowsky on the unevens led the success. Wins came over Roseburg, Eagle Point, and Willamette with a 4th in the Emerald Empire Open and a 3rd in a 3-way meet with Medford and Ashland. Marshfield finished 6th in District, placing Sue Gentry 2nd in unevens, Elaine Vedack 7th in floor exercise, and Carla Milby 8th in balance beam. Sue Gentry represented Marshfield at the state meet.

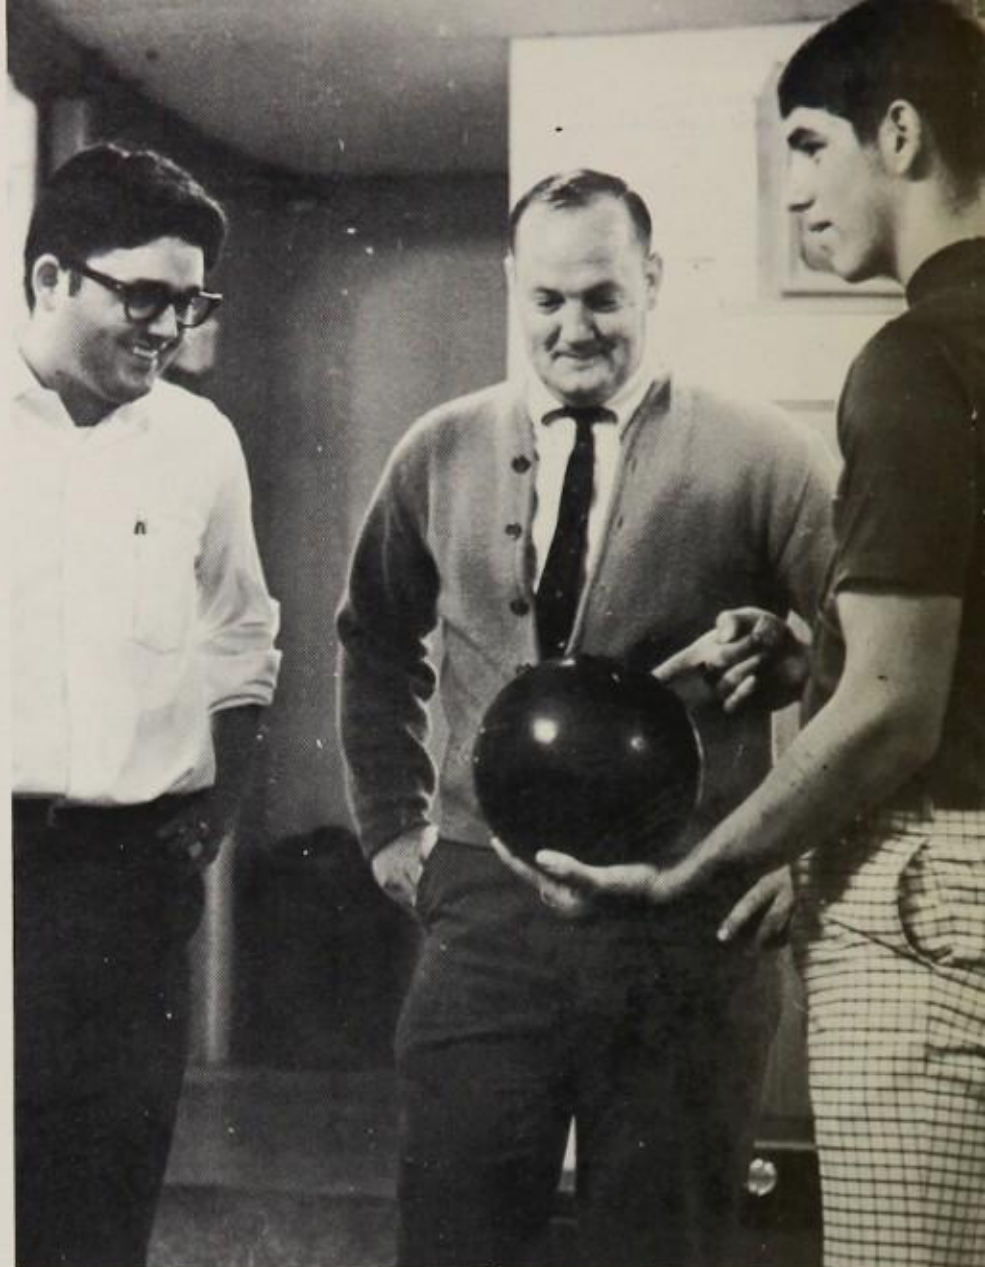

GIRLS' TRACK

Vivacious Velocity

An 8th place finish at the state meet, a 6-3 won-loss record, and 9 new records out of twelve events left no doubt that Marshfield's girls' track had seen its finest year. The wins came over Pacific twice, Coquille, Reedsport, Brookings, and Seaside, which were conducted on home fields with results compared by mail. The Pirate trackers finished 4th in District, breaking records in the 100 and 220, Fran Auer; 880, Kathy El-

roy; discus, Debby Gander; high jump, Marilyn Wilson and Kathy Elroy; long jump, Fran Auer; Javelin, Tori Hudson; shot put, Kathe McNutt; and the 440 relay. The 8th place in state came as a result of Fran Auer's 2nd in the 220 and long jump and Kathy Elroy's 5th in the high jump. With only one senior and one junior on the team, Miss Brood is looking for many more good years to come.

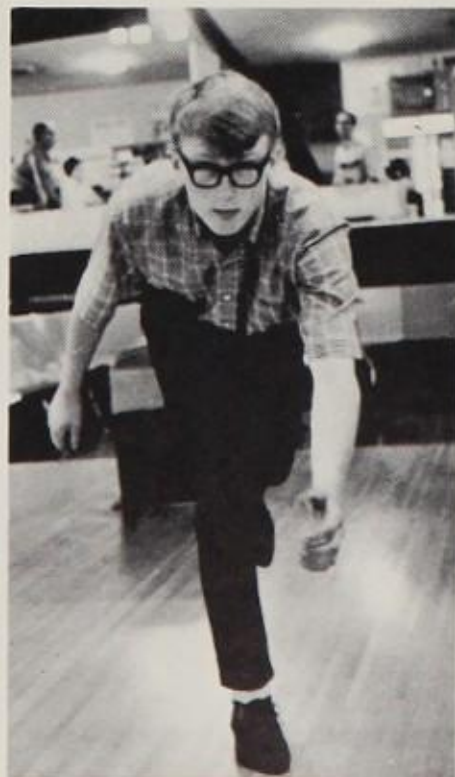

BOWLING

The Strikers

In the spirit of change, Marshfield added a new sport. Out of P.E. classes and open mod bowling came the formation of a bowling team. Under the direction of Mr. Popp, the team, which changed from week to week depending upon the qualifying trials prior to each match, played thirteen matches, winning twelve of them and losing only to the University of Oregon varsity. Four of the tournaments were played by telephone with each team bowling on their home alley while the two compared scores by phone. The two bowlers with the top averages were Randy Rice, 185, and Mike Lindsay, 184, while Bob Starnes played in the most matches of any team member, 13.

The faculty bowling team won all of its matches but one, which was a non-counter with the student bowling team.

FRESHMEN

Uncanned Energy

The first step in the long journey to graduation was orientation. This gave the frosh an opportunity to become acquainted with the large and unfamiliar campus. The frosh mixer, a Student Council-sponsored activity, was held at the beginning of the school year.

During the first week the class of '72 adjusted rapidly to the rush and pandemonium of high school life.

The freshman class led by President Jeff Bedingfield,

slipped past the sophs to a victory in the Canned Food Drive. Winning the yell contest and heaviest pumpkin contest, they proved a strong contender in Spirit Week.

A class with great enthusiasm and determination, the freshmen showed great potential for success and laid a sturdy foundation for the years to come.

Hoping to earn enough money for a trip to Hawaii, swim team members Sally Mc Inturff and Marilyn Wilson paint signs to advertise their cake sale.

Mr. Zarnovican takes time out from his German classes to demonstrate his technique on the potter's wheel to John Lefler, Steve Thompson, Bill Strickland, and Mike Hurley.

Sophomore class officers *FROM LEFT*: Roger McCarty, Vice President; Jean Doving, Secretary; Mike Hashberger, President; Linda Wilson, Treasurer; Becky Page, Publicity Manager.

SOPHOMORES

Ambition In Action

The class of '71 showed its spirit and ambition throughout the school year by promoting enthusiasm among the members of the Marshfield High School student body. The sophomore class offered some stiff competition during Spirit Week, when each class competed for the Spirit Week award by displaying support for the football team. The sophomores also ran a close second place in the Canned Food Drive.

The sophomore Sock Hop, a fall event, was a social highlight of the year for the class. Bright decorations and a live band sparked the sophomore dance.

Showing originality in student government, the class of '71 enacted a new plan. In addition to the class officers, a sophomore council was elected to provide chairmen for special committees and to promote class participation. An attempt is being made to involve even more individuals in the coordination of class activities.

Majorette Linda Jackson is proud to lead the band in spirited marching.

Junior class officer *FROM LEFT*: Dave Leaton, President; Ronda Wood, Secretary; Cindy Lockhart, Treasurer; Fritz Miller, Vice President.

JUNIORS

Juniors Stomp All

Exhibiting their class spirit, the class of '70 adopted the slogan "Juniors Stomp All." To emphasize their enthusiasm, they painted signs and tromped through the halls wearing boots during Spirit Week. For the homecoming parade, the juniors constructed a pirate ship float which bore the flag, "Jr. Spirit."

To help finance the Prom, the juniors worked on con-

cessions. The chosen Junior Prom theme was "A Walk in the Black Forest," and couples danced amid woodland scenes.

Three years of academic studies, class activities, and independent research projects have prepared the juniors for the added responsibilities of the senior year.

SENIORS

Spirit Of '69

Capping a successful career by winning Spirit Week, seniors participated in a special 39-vehicle, 4-horse senior parade, wore Pirate hats and eye patches, and used megaphones in the yell contest. A first place in the pie-eating contest climaxed the week-long effort for which the class was awarded the victory bell. The seniors also received a plaque for the largest class contribution to the United Good Neighbors' Drive.

Through selling Pirate decals and bumper stickers

in the halls and at games and by soliciting advertisements for senior radio day on KOOS, the class raised funds which were used to sponsor the traditional senior night and senior ball. Seniors volunteered to work as car hops for one day at the A & W, and the profits were donated to the class.

Class members look forward to varied futures. Some will seek vocational training while others, stimulated by college visitations, will find interest in further educational opportunities.

GIRLS AND BOYS
OF THE MONTH

The Builders

All are architects of Fate,
Working in these walls of Time;
Some with massive deeds and great,
Some with ornaments of rhyme.

Nothing useless is, or low;
Each thing in its place is best;
And what seems but idle show
Strengthens and supports the rest.

For the structure that we raise
Time is with materials filled;
Our todays and yesterdays
Are the blocks with which we build.

Truly shape and fashion these;
Leave no yawning gaps between;
Think not, because no man sees
Such things will remain unseen.

Else our lives are incomplete,
Standing in these walls of Time,
Broken stairways, where the feet
Stumble as they seek to climb.

Build today then, strong and sure,
With a firm and ample base;
and ascending and secure
Shall tomorrow find its place.

—Longfellow

Tari Williams, September; Lois Garner, October; Lynn Anderson, December; Jackie Jordan, January; Pam Brumbaugh, February; Linda Manders, March; Sally Phillips, April; Leslie Baird, May; Isa Costa, June; Greg Swift, October; Scott Bedingfield, November; Terry Wilson, December; Jay Farr, January; Gordon Bell, March; and Jim Falk, April; *NOT PICTURED*: Vicki Crumpacker, November.

Senior ball court LEFT TO RIGHT, Sonja Kruse, Martha Kierstead, Vicki Crumpacker, Queen Roxanne Johannesen. Not pictured: Diane Coon.

Pam Brumbaugh knows that the many hours of planning and preparation at the work parties made the senior ball a brilliant success.

Graduates enjoy the music of the "Morning Reign" at the senior night dance.

SENIOR BALL

Midnight Sun

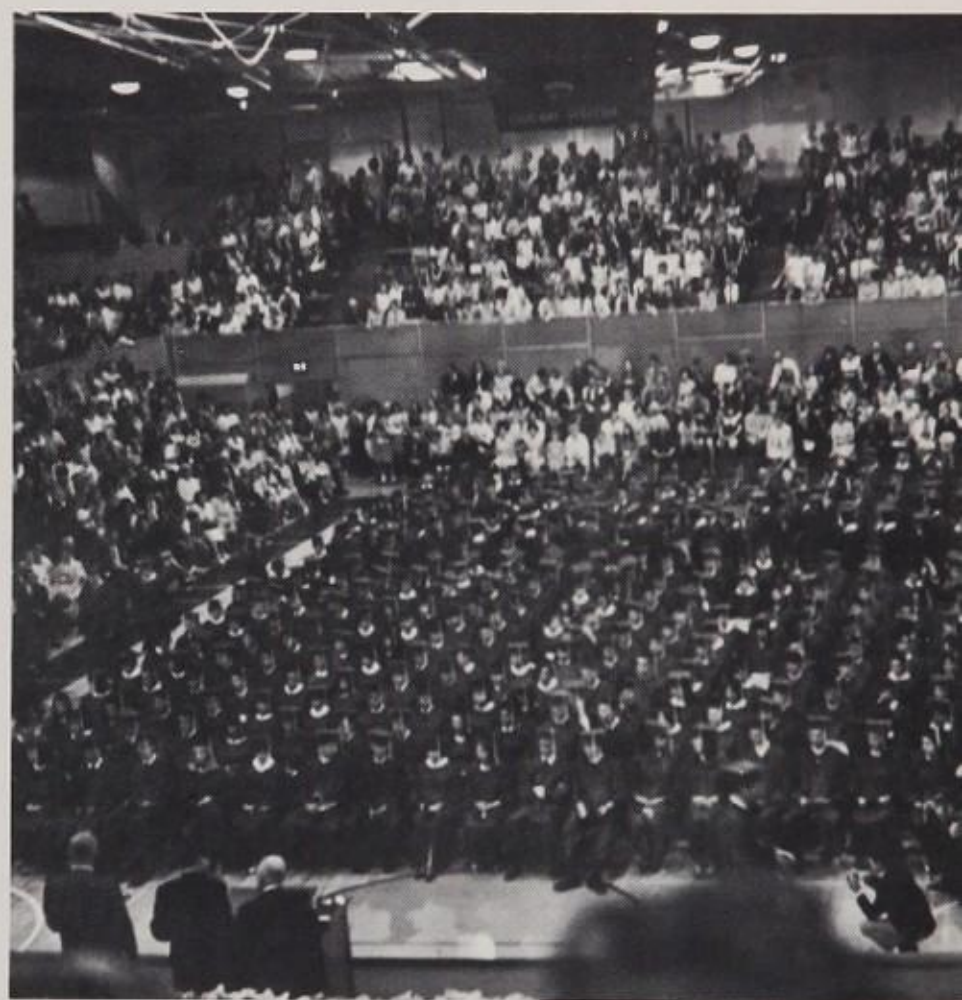

Held at Saint Monica's Hall with music provided by the Satin Sounds, 153 couples enjoyed this formal occasion, a fitting climax to the senior year. Pam Brumbaugh, general chairman for the ball, was responsible for co-ordinating the various committees. Especially effective were the decorations, a large sun with gold rays radiating to the far corners of the room, designed and executed by Vicki Crumpacker, decorations chairman. The members of the court, announced at the ball by senior class representative Don Cottel, were Queen Roxanne Johannesen, Diane Coon, Vicki Crumpacker, Martha Kierstead, and Sonja Kruse.

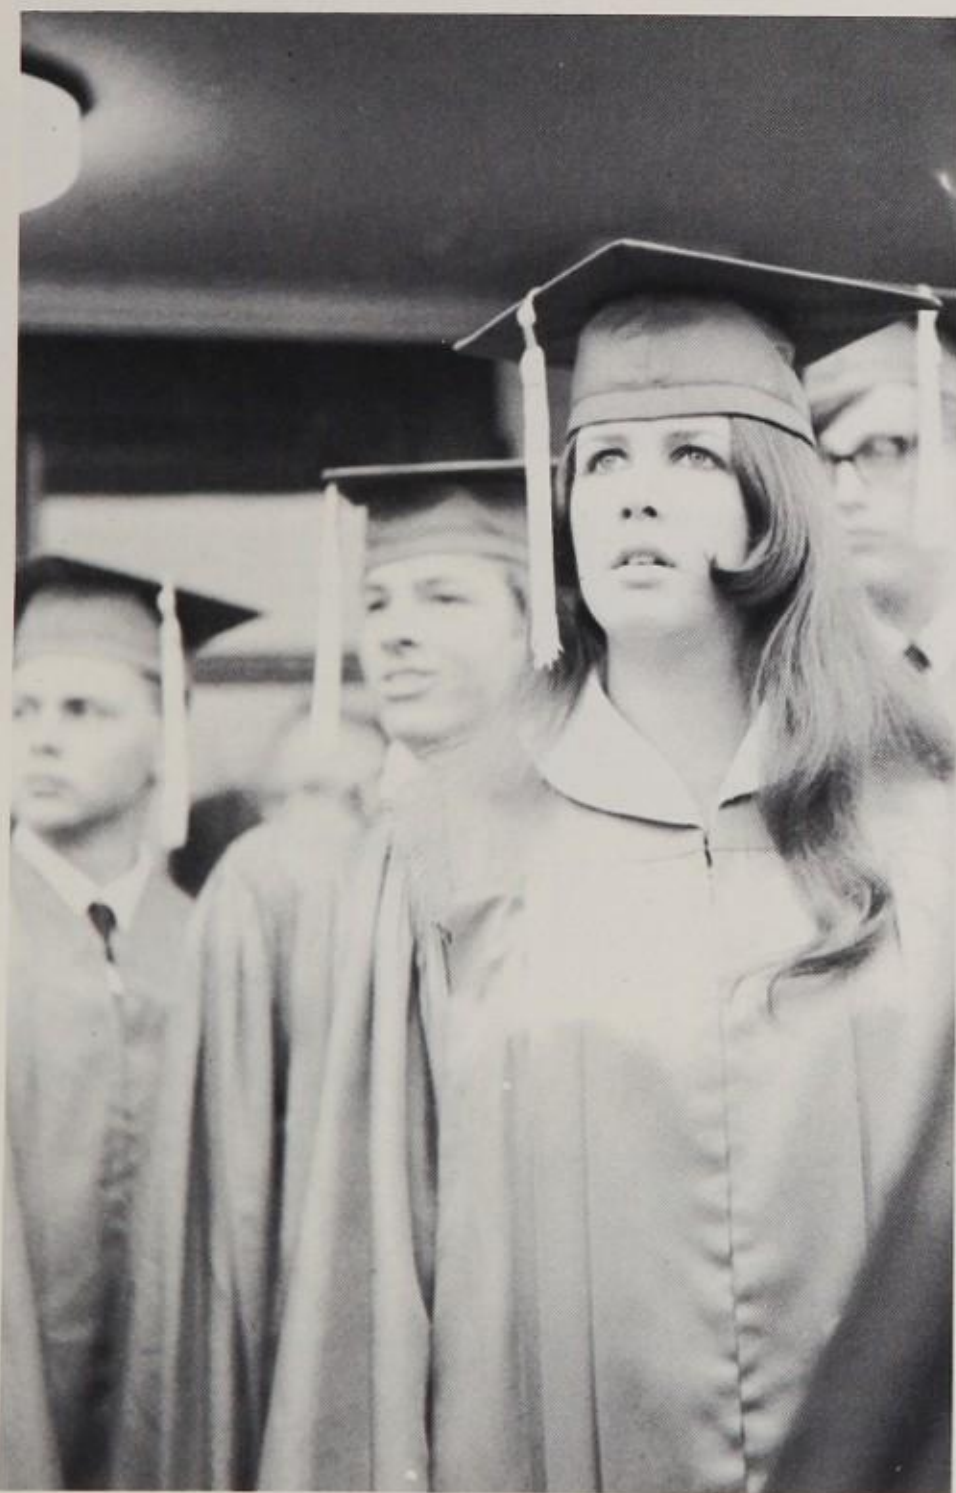

Happiness is a diploma.

Senior boys pool their fun.

Presenting . . . the class of 1969.

"What now, my friend?", asks Diana Bigelow.

SUPERINTENDENT

Understanding Required

Mr. Crowley, Superintendent of Schools, is the executive officer of District 9. The superintendent works with the school board to improve the educational program, and he is responsible for the activities of students and teachers. Although the introduction of modular scheduling has had no great impact upon the duties of the superintendent, Mr. Crowley has said that this program requires increased public understanding.

John Crowley

John Peters

Robert Alexander

SCHOOL BOARD

Forms Policy

The District 9 School Board consists of seven members elected at large from within the district. The board believes that the primary role of education is to provide an environment in which students can develop to the fullest of their potential in acquiring necessary knowledge and understandings. The most important function of the school board is the formation of educational policy.

School Board members Dr. Roger Flanagan, Dow Beckham, Don Matson, Everett Messerle, Chairman Theresa O'Neil, and James Frame. Not pictured: John Burles.

Elmer Johnson

ADMINISTRATION

More Personal Involvement

Neil Hoing

Philosophically, the variable class program, adopted at Marshfield in September, 1968, permits the schedule to be adjusted to the needs of the curriculum. With the variance in class length and size, students have time for teacher conferences, independent study, and personal involvement in their own education.

Schools are under pressure to update for a 20th century society. The individual rights and dignity of each student must be recognized within the framework of positive guidance.

New programs need to be evaluated carefully and revised. Although educational research and experience strongly support the modular approach, its survival is contingent upon its acceptance by students, parents, staff, and community.

Howard Monks

Bruce Hoffine

Keith Wade

Virgil Kingsley

GUIDANCE

Decisions! Decisions!

"Guidance is a helping relationship," says Mr. Bunyard, Guidance Director. The guidance counselors attempt to discover, develop, and utilize the individual talent of each student by providing assistance in making decisions and through the distribution of student information.

FOREIGN LANGUAGES

Tongue-Tied

The Foreign Language Department was able to make a smooth transition to the modular program since the course make-up remained unchanged. Most language courses still consist of a short class period, a lab which is used for drill, and a small group question and answer session.

The new study area has provided for better availability of foreign language study materials. Russian was also offered this year.

ENGLISH

Spell-bound

Under the new modular program, the English-Social Studies resource center was established. Here the student may find, on reserve, needed literary material, a large supply of audio and visual aids, and a place for independent study. A special course in creative writing was offered for the first time to students interested in utilizing their talents composing poems, short stories, and essays.

SOCIAL STUDIES

History Tells Us

The Social Studies Department has employed a modular-type program for several years. Both large group and team teaching have been used previously. Under this system the large group session provides an ex-

Yaqub Dean

Dwight Burch

Jerry Kotsovos

William McLean

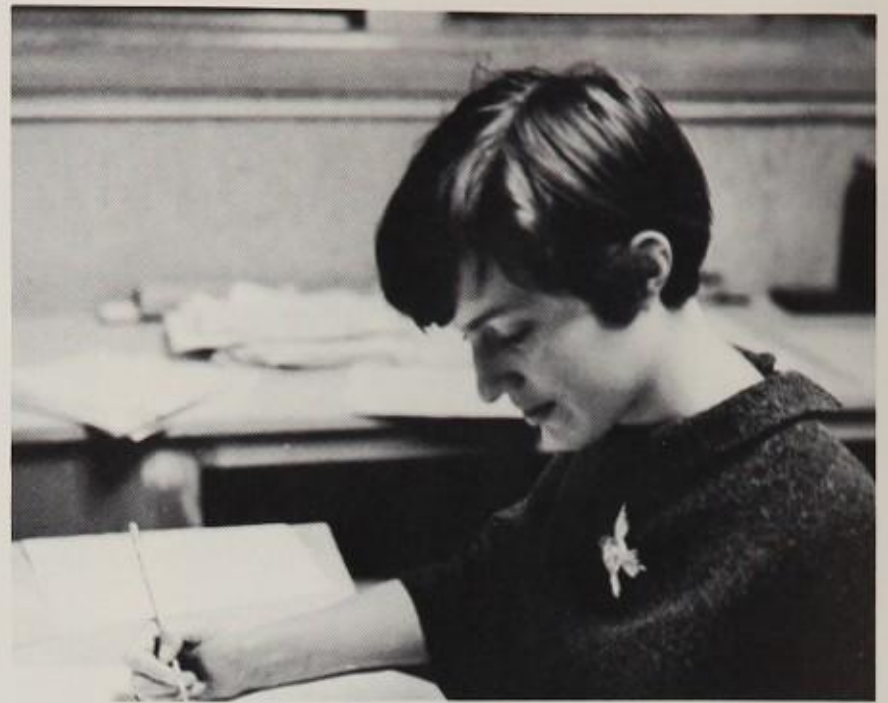

Donna Whitty

planation, while the small group serves for the introduction of materials. Teachers generate greater student interest by stimulating active participation in class discussion.

Bruce Martin

Joan Mahaffy

MATH

Sum Fun

The Math Department provides the student with a variety of courses. These range from General Math for the beginning math student to Calculus for the more advanced. In the math study center, students may gain assistance from instructors available. There are special rooms for group work and individual study carrels.

Last summer a special computer course was offered to a group of selected students. In this workshop, knowledge was gained regarding the use of technical computers.

SCIENCE

Marine Modness

Marine biology is providing some exciting new curriculum for the Science Department. Field trips to natural surroundings such as beaches provide an opportunity for many science students to discover the wonders of marine life in its natural habitat. A new biology lab is available to science students for individual research, and new equipment for experimentation has been added.

PHYSICAL EDUCATION AND HEALTH

Vim 'N' Vigor

A new emphasis on out-of-doors activities has stimulated student interest in physical education. During open labs provided by modular scheduling, students may watch films on mountaineering, skiing, and hiking and participate in these activities on weekend excursions.

Health, a one-credit course, is now extended over a period of one year, with fewer classes per week as a result of the new scheduling. A Health Resource Center has been created in the East Branch. Topics such as first aid, drugs and alcohol, personality development, and sex education combine to furnish classes with factual information.

BUSINESS EDUCATION

Smart Shoppin'

Business courses have been revised under the modular program so that students might gain more individual aid. Open labs for typing may be used by all students.

"Smart Shop," the new campus supplies store, is being managed by the Distributive Education students to provide experience with such aspects of business as

handling merchandise, accounting, good salesmanship, and use of business machines.

Students preparing for secretarial careers are now able to spend part of the school day on business jobs in town. They are employed by Georgia Pacific, Weyerhaeuser, the Water Board, and other business firms.

IMC DIRECTOR

Check It Out

Mr. Love, Instructional Materials Director, runs the audio-visual center and the library. The IMC supplies students and teachers with films, recordings, and other new resource materials.

CORE PROGRAM AND TEACHER CORPS

Way To Go

Students in the Core program combine work experience with Core studies and electives.

The teacher corps, an intern program, trains college graduates for teaching.

ROTC

Flying High

R.O.T.C. members are putting their learning to good use. Their major task is the building of an airplane. The project is sponsored and headed by Major Hess, with part of the work being done by the students. The airplane, a one-seater powered by a fuel-injected Volkswagen engine, will be ten feet long. After its completion, the plane will be flown the required number of hours and sold.

Raymond Snyder

Ralph Hess

Helen McPherson

Robert Gillett

FINE ARTS

Note the Art

The goals of the Art Department are to give each student a chance to work with many materials and to express himself creatively.

In music, the students experiment with everything from Bach to the Tijuana Brass to create an exciting Vespers program and Spring Band concert.

JOURNALISM

Print 'Em

The Journalism Department publishes the Ma-Hi Times regularly and the Mahiter, a literary magazine, occasionally. This year they expanded their operations to include the printing of each edition. A special edition of the school paper, centered around the state semi-final football championship game, featured a two-page spread of the 1968 football team.

Ron Smith

Everett and Lydia Oxford

DRIVER EDUCATION

The Brave Ones

History of the car, its parts and maintenance, traffic safety laws, and expenses involved in owning a car are among the many topics covered by Driver Education. Cars donated by local businesses provide students with an opportunity to gain practical experience in different traffic conditions. The present modular system and increased enrollment makes it necessary that some students drive after school.

HOME ECONOMICS

Sew What?

Tailoring, Fabric and Clothing, Child Development, House and Home, and Creative Foods are the new courses included in this year's program. These courses offer a student advanced study in a variety of areas. Open labs are available to students who wish to spend extra time in the classroom.

VOCATIONAL INDUSTRIAL ARTS

Expansion

Courses in agriculture and the various shops attracted interest for many students as enrollment increased. The utilization of available space required the reorganization of shops and classrooms to meet the needs of these students. Open labs, individual teacher aid, special projects, and opportunities for advanced study highlighted the "year of change."

STAFF

Hidden Helpers

The "unsung heroes" of Marshfield are the service staffs who are constantly at work coping with the problem of creating a harmonious atmosphere for the students. The service staffs include the secretarial, medical, custodial, cafeteria, and—a new addition—the study center staff. The secretaries are kept busy satisfying the wants and needs of the students and faculty while the cooks prepare food for the vending machines and the janitors attempt to keep the school spotless.

Those were the days,
my friend. . .

Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories;
They're all that's left you.

Paul Simon

("Simon and Garfunkel; Bookends")
